FOR IMMEDIATE RELEASE

SUNSET BRIDGE ABUTMENT WORK PLANNED ON I-405 OCTOBER 22

As part of the reconstruction of the Sunset Bridge, the I-405 Sepulveda Pass Improvements Project contractor will perform abutment removal work from the Sunset Bridge on Friday, October 22. This activity requires the full closure of the southbound I-405 between Sunset Boulevard and Wilshire Boulevard on October 22, 2010 for one night only.

What: Sunset Bridge Abutment Removal

When: Southbound I-405 lane reduction will start at 10 p.m.on Friday, October 22, 2010 with full southbound I-405 closure starting at midnight. Full freeway access will be restored by 6 a.m. on Saturday, October 23, 2010. This activity is subject to change, weather permitting.

Where: Sunset Bridge at the I-405

What to expect:

- Southbound 405 on-ramp closures will be required: closures will be coordinated with Caltrans, ramp closures may start at 7 p.m.
- Southbound 405 freeway will be fully closed between the southbound Sunset Boulevard off-ramp and southbound Wilshire Boulevard ramps.
- Southbound I-405 traffic will be detoured at Sunset Boulevard off-ramp to northbound Church Lane, to southbound Sepulveda Boulevard to westbound Wilshire Boulevard-Southbound I-405 on-ramp.

For additional project information and ongoing construction updates, visit www.metro.net/I-405 or call the project hotline at 213-922-3665. The latest updates are also available on Twitter at twitter.com/I_405.
