Media Event - Federal Transportation Funding

City of Los Angeles Mayor and Metro Board Chair Antonio Villaraigosa will be joining Congresswoman Juanita Millender-McDonald to discuss the impact of the recently passed six-year federal transportation funding bill and to explain what this means for local traffic relief. The funded projects range from community transit upgrades to new freeway carpool lane construction and bridges to funding for new rail and bus lines.

This event is scheduled for 11:30 am on Wednesday August 3rd at the Metro Blue Line 103rd Street Station located at Grandee Avenue and 103rd Street in Watts. The Mayor and Congresswoman will be joined by local, state and federal officials, along with area transportation stakeholders.

Metro Holds Transit Security Briefing For Congresswoman Roybal-Allard

Metro security officials and Deputy CEO John Catoe were joined by representatives of Amtrak, Metrolink, the Municipal Transit Operators Coalition and Union Station at a transit security briefing held this afternoon. The briefing, held at Metro headquarters, focused on the homeland security needs faced by Los Angeles area bus and rail operators. Congresswoman Roybal-Allard serves on the Homeland Security Appropriations Subcommittee.

Contract Services Work Stoppage Update

Transportation Concepts made full rollout this morning 1 bus left 18 minutes late due to a mechanical (no start) but Line 167 block 8 was still started on-time with the help of moving some buses around. The picketing continues very quietly with mainly Teamsters Union Reps and only 4 of the 17 drivers, no incidents again today were reported.
