## **June 2006 California Transportation Commission Meeting**

At their June 8, 2006 meeting in Sacramento, the California Transportation Commission (CTC) allocated \$118.9 million in transportation projects for Los Angeles County. These included:

- \$24.3 million for the I-5 Carpool lanes from SR-170 to SR-114 in the northeast San Fernando Valley,
- \$29.9 million for the SR-60 Carpool lanes from the I-605 to Azusa,
- \$31.2 million for the SR-134 interchange in Burbank,
- \$24.1 million for the Eastside LRT in new mitigations for the project,
- \$ 9.4 million for the Los Angeles County Regional Rideshare program and various countywide Transportation Enhancement Activities projects.
