Expo Light Rail Construction Notice

Metro Hosts Meeting with Mayors

On Wednesday, May 8, 2013 we hosted a luncheon at Metro for Mayors throughout Los Angeles County, where 32 cities were represented at the event. Together with Metro Board Director O'Connor and executive staff, I had the opportunity to provide an overview of the many activities in which the agency is involved. I was able to respond to a myriad of questions and commentary concerning our major transit and highway corridor projects, Express Lanes, bicycle planning, Union Station, highway maintenance and other issues. The event was a valuable and rewarding opportunity to engage directly with our local mayors and partners in transportation. Participants expressed appreciation for the invitation and a desire to hold these types of lunches or topical summits on a quarterly basis.

Expo Light Rail Construction Notice

Utility Relocation

As part of the construction of Phase 2 of the Expo Light Rail Line, work crews will continue with utility relocation along Bundy Drive in the City of Los Angeles. The work is being managed and performed by the Expo Phase 2 design-build contractor *Skanska-Rados Joint Venture (SRJV)*, and its subcontractors. Utility relocation work will take place on Bundy Drive between Olympic Boulevard and Tennessee Avenue. Work will begin approximately the week of May 13, 2013 and will last from three to four weeks.
