14. APPROVED AS AMENDED authorizing the Chief Executive Officer to enter into direct contract negotiations with the Los Angeles Sheriff's Department Transit Services Bureau for **transit community policing services**.

**Antonovich Amendment** that the Metro Board instructs the CEO to do the following:

- 1) Make a joint presentation with the Los Angeles Sheriff's Department to the full Board in December 2008 that examines and evaluates the totality of Metro's safety and security expenditures, policies and priorities – both current and proposed. This presentation will include pros and cons and analysis that takes into account, but is not limited to, the following items:
  - Increasing efficiency of current and proposed resources
  - Increasing effectiveness of current and proposed resources
  - New capital improvements that could improve efficiency or effectiveness
  - Consolidation, coordination and/or integration of information flow and command
  - Emergency management and responsiveness
  - Complete breakdowns of all costs associated with different types of security provision, including sworn vs. unsworn officers, armed vs. unarmed officers, liability, sunk costs, overtime, etc.
  - Line authority and related issues
  - Long term versus short term models for Metro security
  - Coordination with future gating and TAP program implementation
  
- 2) Provide for enough flexibility in the negotiation of the Scope of Work for the new transit community policing services contract to allow for innovation, alternative service delivery and other similar considerations that arise through Board direction as a result of this briefing or through the negotiation process.
