

# METRO EXPRESSLANES

Starting November 10, Metro ExpressLanes will save you time on the 110 freeway between Adams Bl and the 91 freeway. They're toll-free for carpools, vanpools and motorcycles, and available for a toll to solo drivers. All you need to use ExpressLanes is a FasTrak® transponder.

Order your FasTrak before November 10 at [metroexpresslanes.net](http://metroexpresslanes.net) and you will receive \$5 in free tolls and a chance to win prizes.

## How It Works

- 1** Sign up for a FasTrak account.
- 2** Mount FasTrak in your vehicle.
- 3** Before each trip, set FasTrak to indicate how many people are in your vehicle.
- 4** Enter the ExpressLanes at designated FasTrak entry points.
- 5** Save time!
