FOR IMMEDIATE RELEASE

I-5 Empire Project Update: Upcoming Construction Activities and Closures

In observance of the Thanksgiving holiday, there will be no construction closures for this project from Wednesday, November 26, at 6 a.m. to Sunday, November 30, at 11:59 p.m.

BURBANK — The construction activities and closures listed below will occur December 1-5, 2014, as part of the I-5 Empire Project in Burbank, a series of freeway improvements between Magnolia Boulevard and Buena Vista Street. More information about the project is [here](#). *Construction activities and closures are subject to change.*

Major Construction Activities for the week of Dec. 1-5, 2014 (all day work)

- Leland Way Channel Cap: Excavation for piles. Concrete removals. Equipment delivery for drilling operation will begin Dec. 8.
NOTE: Leland Way is now a ONE-WAY STREET (temporarily). Motorists may travel in a northerly direction only, as directed by signage. Also, parking restrictions are now in effect. More info is [here](#).
- Retaining wall work near the southbound I-5 Buena Vista Street off-ramp and the southbound I-5 Burbank Boulevard off-ramp, and south of Hollywood Way.
- Excavation for MSE (mechanically stabilized earth) wall east of the railroad tracks between Hollywood Way and Buena Vista Street.
- Utility removal/relocation on San Fernando Boulevard near the Grismer Avenue intersection.
- Placement of conduit (for pump station) on Victory Place north of Empire Avenue.

Please be attentive to closures, slow down, and watch for workers in construction zones.

- MORE -

What to Expect: Residents and businesses close to the freeway may notice vibration and construction noise, but *it will not exceed levels permitted by state, federal and local regulations*. Also, the contractor is using approved dust-control measures to minimize airborne particles, but some dust is expected.

Additionally, motorists should be attentive to new traffic patterns created by restriping of travel lanes and concrete barriers. Please proceed cautiously and watch for workers.

Closures for the Week of Dec. 1-5, 2014

- A short stretch of San Fernando Boulevard near Grismer Avenue will be reduced to one lane during the day.

Resources for Motorists

- **Project Information:** Information about the project is [here](#).
- **Closure Information:** Closure information for this and other freeway projects is also available on the [Caltrans website](#) and the [I-5 website](#).
- **Real-Time traffic Information:** Visit quickmap.dot.ca.gov, go511.com, or call 5-1-1.

For the safety of the construction crew and motorists, please be attentive to closures, slow for the cone zone, and move over one lane where possible.

Caltrans thanks motorists for their patience and understanding during construction. For more information, visit I-5info.com.
