

## WWP/Metro Employment Networking Mixer

Wounded Warrior Project's Warriors to Work® Program (WWP), Los Angeles County Metropolitan Transportation Authority (Metro), and Community Career Development, Inc. (CCD), cordially invite you to an Employment Networking Event on Wednesday, November 6, 2013 at Metro.

**This event is open to WWP Alumni, Caregivers, Veterans, and Family Members!**

Are you interested in working for a company that is unique among the nation's transportation leaders? If so, Metro and its staffing agency, CCD, want to meet with you. CCD, which is rated a 4-Star Rated Agency by the City of Los Angeles Workforce Investment Board (WIB), has one of the highest performing job placement centers in the region and Metro wants CCD to fill its jobs with Wounded Warriors.
