## FOR IMMEDIATE RELEASE

### I-5 Empire Project Update: Upcoming Construction Activities and Closures

There will be no construction activities or closures on Veterans Day, Nov. 11, 2014.

BURBANK — The construction activities and closures listed below will occur during the week of November 10-14, 2014, as part of the I-5 Empire Project in Burbank, a series of freeway improvements between Magnolia Boulevard and Buena Vista Street. More information about the project is [here](#). *Construction activities and closures are subject to change.*

#### Major Construction Activities for the Week of November 10-14, 2014 (day work only)

- Leland Way Channel Cap: excavation and removal of vegetation on the channel side of Leland way. Parking restrictions are now in effect. More info [here](#).
- Retaining wall work near the I-5 Buena Vista St. off-ramp and near the southbound I-5 Burbank Blvd. off-ramp.
- Excavation near the northbound Burbank Boulevard off-ramp.
- Concrete removal on the west side of the railroad tracks between Hollywood Way and Buena Vista Street.
- Excavation and demolition in the southbound San Fernando tunnel area (closed to traffic).
- Utility removal/relocation on San Fernando Boulevard near the Grismer Avenue intersection.
- Placement of conduit (for pump station) on Victory Place north of Empire Avenue.

***Please be attentive to closures, slow down, and watch for workers in construction zones.***

- MORE -

**What to Expect:** Residents and businesses close to the freeway may notice vibration and construction noise, but *it will not exceed levels permitted by state, federal and local regulations*. Also, the contractor is using approved dust-control measures to minimize airborne particles, but some dust is expected.

Additionally, motorists should be attentive to new traffic patterns created by restriping of travel lanes and concrete barriers. Please proceed cautiously and watch for workers.

## Closures for the Week of November 10-14, 2014

### Street Closures

- Empire Ave. will have one travel lane in each direction at all times.
- A short stretch of San Fernando Boulevard near Grismer Avenue will be reduced to one lane during the day.

### Resources for Motorists

- **Project Information:** Information about the project is [here](#).
- **Closure Information:** Closure information for this and other freeway projects is also available on the [Caltrans website](#) and the [I-5 website](#).
- **Real-Time traffic Information:** Visit [quickmap.dot.ca.gov](http://quickmap.dot.ca.gov), [go511.com](http://go511.com), or call 5-1-1.

For the safety of the construction crew and motorists, please be attentive to closures, slow for the cone zone, and move over one lane where possible.

Caltrans thanks motorists for their patience and understanding during construction. For more information, visit [I-5info.com](http://I-5info.com).
