BURBANK — One northbound lane of Buena Vista Street in Burbank will be closed between San Fernando Boulevard and Winona Avenue the nights of February 4 and 5, 2015, from 9 p.m. to 6 a.m. The closure is necessary to allow crews to complete shoring work in preparation for pile driving this weekend.

The Buena Vista Street overcrossing is being widened to accommodate new carpool lanes as part of the I-5 Empire Project, a series of improvements between Magnolia Boulevard and Buena Vista Street. More information about the project is [here](#). *Construction activities and closures are subject to change.*
