EXPERIENCE

Transportation Planner 1, Office of the Chief Executive Officer, LA County Metro February 2014-Present

- Staff Office of the CEO and Chief Policy Officer, coordinating daily operations and special projects
- Write public facing and internal documents including Every Voice Counts newsletter, speaking points, board reports, memos, correspondences and action item closeout
- Review, analyze and manage communications and reports to Board of Directors; manage Board participation in events and fulfill a range of requests for information
- Co-developed and administer Rappin' with Phil, giving employees an opportunity to share ideas with CEO
- Founded Metro Emerging Professionals Association (MEPA), a 260 member capacity building organization for Metro dedicated to professional development, relationship building, mentorship and cross training
- In anticipation of 2016 ballot measure, managed campaign to bolster greater public understanding of what Metro does at 12 Metro funded open streets events. Tent purchased serves Communications' needs
- Reconciled enforcement data and customer survey data, enabling analysis of fare violation demographics
- Coordinated with board offices and other agencies on projects including Los Angeles Region - Image Acquisition Consortium and establishment of a North Hollywood to Pasadena Express Bus Service
- Lead securement of new lost and found location for bicycles overcrowding facility due to law requiring items be kept for 90 days. Metro sponsored legislation introduced to reduce requirement to 30 days

Entry Level Trainee, Management Audit, LA County Metro July 2013-February 2014

- Assisted in the Agency Wide Risk Assessment
- Conducted performance, IT, efficiency and systems based audits directly related to the agency's objectives
- Ensured compliance of projects to industry standards and applicable laws

Coro Fellow, Los Angeles, CA September 2012-June 2013

- Twelve fellows chosen through a national selection process to participate in Coro Southern California's nine-month public affairs fellowship. 2% of applicants admitted
- Six career placements included: Southern California Leadership Council, MWH Americas, Los Angeles County Metro, United Firefighters of Los Angeles City Local 112, and LA Times
- Conducted primary research and wrote reports, including strategies to increase civic engagement among Millennials and market research on California hydropower for MWH executives
- Created a photo gallery published on Los Angeles Times' Opinion Webpage. "[10 reasons to salute L.A.'s promising transportation future](#)" was linked on Metro's The Source blog, LA Streetsblog and Planetizen
