

Board Report

File #:2015-1696, File Type:Contract

Agenda Number:

SYSTEM SAFETY, SECURITY AND OPERATIONS COMMITTEE JANUARY 21, 2016

SUBJECT: UNIFORM RENTAL SERVICES

ACTION: APPROVE CONTRACT AWARD

RECOMMENDATION

AUTHORIZE the Chief Executive Officer to award a three-year firm fixed unit rate Contract No. OP4086600 for Uniform Rental Services with Prudential Overall Supply, for a not-to-exceed amount of \$3,108,087.06 effective April 1, 2016 through March 31, 2019; with two, one-year options at \$1,036,029.02 for the first option year, and \$1,036,029.02 for the second option year, for a combined total of \$5,180,145.10.

ISSUE

Per the current ATU and TCU Collective Bargaining Units' agreements, Metro is required to provide each of the units up to 11 uniforms per employee, along with uniform laundry services.

The existing uniform rental services Contract OP30002227 with Prudential Overall Supply will expire on June 30, 2016. A new contract award is required effective April 1, 2016 to avoid uniform rental service interruption and to ensure timely issuance of new uniforms to all employees.

DISCUSSION

Under the existing contract, uniform rental services are provided to over 2,300 Metro represented labor employees supporting the Metro system, as well as providing vehicle seat covers and laundry services for hand towels and floor mats. Several uniform options are provided including but not limited to coveralls, sets of shirts and pants with male or female fit options, as well as Fire Resistant garments. Uniform rental and laundry services are necessary to ensure compliance with safety requirements and provide a safe and clean working environment to Metro employees and the public.

DETERMINATION OF SAFETY IMPACT

The approval of this item will ensure the supply of uniforms that clearly identify Metro represented labor employees and continue delivering safe, quality, on-time and reliable services system-wide.

FINANCIAL IMPACT

Funding of \$260,000 for this contract is included in the F16 budget in multiple maintenance cost centers, account - 50215 (F/B Uniforms), projects 306002 (Bus Operations), 300022 (Blue Line Operations), 300033 (Green Line Operations), 300044 (Red Line Operations), 300055 (Gold Line Operations), 301012 (Orange Line Operations), and 300066 (Expo Line).

Since this is a multi-year contract, the cost center manager and Operations will be accountable for budgeting the cost in future fiscal years including any option exercised.

Impact to Budget

The current year funding for this action will come from the Enterprise operating fund. The source of funds for this procurement will come from State and local funding sources that are eligible for Bus and Rail Operating or Capital Projects. These funding sources will maximize the use of funds for these activities. This activity is part of Metro's on-going maintenance costs.

ALTERNATIVES CONSIDERED

Staff considered purchasing uniforms, hand towels, mats, and vehicle seat covers, along with providing in-house laundry services. This would require the hiring and training of additional personnel, purchase of additional equipment, vehicles, and supplies to support the expanded responsibility. Staff's assessment indicates this is not a cost-effective option for Metro.

NEXT STEPS

Upon approval by the Board, staff will execute contract PS16407 to Prudential Overall Supply, to provide uniform rental and laundry services effective April 1, 2016.

A. Procurement Background

Actions to competitively procure a new contract for Uniform Rental Services began in April 2015 with the release of a Request for Proposals (RFP) as full and open public competition to provide the services. One proposal from Prudential Overall Supply was received. Metro staff determined that the proposal from Prudential Overall Supply did not meet the SBE/DVBE and Living Wage requirements set forth in the RFP. Subsequently, the proposal was deemed non-responsive and the procurement was canceled. Metro staff reprocured the Uniform Rental Services program as an Invitation for Bid (IFB), modifying the solicitation in an effort to increase competition and attract more companies to do business with Metro.

This Board Action is to approve contract award in support of Facility Maintenance to provide uniform rental services to over 2,300 Metro represented labor employees supporting the Metro system, as well as providing vehicle seat covers and laundry services for hand towels and floor mats as outlined in IFB No. PS16407.

The IFB was issued as a competitive procurement in accordance with Metro's Acquisition Policy. The contract type is firm fixed unit price.

One amendment was issued during the solicitation phase of this IFB:

- Amendment No. 1, issued on September 21, 2015, provided bidders with pre-bid conference documents including sign in sheets, living wage rate documents, and the Planholder's list.

A pre-bid conference was held on September 9, 2015. A total of one bid was received on September 30, 2015.

Metro staff conducted a market survey to determine why there were no other bid submittals as per the Acquisition Policy and Procedures Manual. Two firms responded with the following reasons:

1. Potential bidder chose to focus on other opportunities.
2. Potential bidder could not provide a competitive bid since they did not have appropriate resources available.

Based on the market survey, it was determined that the solicitation was not restrictive and the decisions not to bid were based on individual business considerations as affirmed by the responses. Adequate competition exists as the solicitation was performed in an environment where all bidders believed that competition was available. Based on the market survey, there is no evidence that a new procurement would result in a different outcome. Therefore, this solicitation can be awarded as a competitive award.

B. Evaluation of Bids

This procurement was conducted in accordance, and complies with, standard Procurement policies and procedures for a competitive sealed bid. One bid was received from the incumbent, Prudential Overall Supply. The firm was determined to be responsive, responsible and qualified to perform the required services based on the IFB's minimum requirements and technical evaluation by the Project Manager. Reference checks were conducted which resulted in positive remarks.

C. Cost/Price Analysis

The recommended pricing for the contract is fair and reasonable based on price analysis, historical comparison with the current contract pricing, and technical evaluation. Adequate competition existed as the solicitation was conducted in a competitive environment where multiple firms were capable of submitting bids.

BIDDER	BID AMOUNT	METRO ICE*	AWARD AMOUNT
Prudential Overall Supply	\$5,180,145.10	\$3,118,491	\$5,180,145

*The ICE amount for this IFB solicitation was based on a previous proposal received under a separate solicitation that was cancelled.

D. Background on Recommended Contractor

Prudential Overall Supply is an American company with headquarters in Commerce, California. The company was founded in 1932 as a uniform and textile laundry service, serving industrial clients such as automotive production facilities. The company currently serves municipal, industrial and service industry companies. Prudential Overall Supply specializes in offering a variety of uniform programs and is a supplier of facility services and industrial products such as dust control mops, towels, mats, restroom supplies and paper products. Prudential Overall Supply customers' includes more than 300 companies that have been utilizing the company's services for more than 35 years. They currently provide uniforms to the Orange County Transportation Authority.

DEOD SUMMARY

UNIFORM RENTAL SERVICES/OP4086600

A. Small Business Participation

The Diversity and Economic Opportunity Department (DEOD) established a 5% Small Business Enterprise (SBE) goal for this solicitation. Prudential Overall Supply did not make an SBE commitment and is not eligible for the SBE preference. Meeting the goal is neither a condition of award nor an issue of responsiveness.

According to guidance provided by County Counsel, SBE goals on non-federally funded IFBs cannot be a condition of award because Metro can only award to the lowest bidder in accordance with Section 130232(5) of the California Public Utilities Code. Staff will work with Government Relations for the 2016 Legislative Calendar to request a legislative change to the Public Utilities Code. This change would authorize Metro’s ability to require meeting the SBE goal as a condition of award.

Small Business Goal	5% SBE	Small Business Commitment	0%
----------------------------	---------------	----------------------------------	-----------

B. Living/Prevailing Wage and Service Contract Worker Retention Policy Applicability

The Living Wage and Service Contract Worker Retention Policy (LW/SCWRP) will be applicable on this contract. Metro staff will monitor and enforce the policy guidelines to ensure that applicable workers are paid at minimum, the current Living Wage rate of \$16.04 per hour (\$11.17 base + \$4.87 health benefits), including yearly increases. In addition, contractors will be responsible for submitting the required reports for the LW/SCWRP and other related documentation to staff to determine overall compliance with the policy.

C. Prevailing Wage Applicability

Prevailing wage is not applicable to this contract.

D. Project Labor Agreement/Construction Careers Policy

Project Labor Agreement/Construction Careers Policy is not applicable to this contract.
