

PERSHING SQUARE ESCALATOR REPLACEMENT CONSTRUCTION NOTICE

Metro Red Line Pershing Square Escalator Replacement Project

Station and plaza closure at east entrance of 4th St. beginning April 18, 2016, thru January, 2017

SUMMARY

PERSHING SQUARE STATION, 4th ST. EAST ENTRANCE CLOSURE: We are in the process of replacing the escalators and re-grading the Metro Plaza at the 4th Street east portal of Pershing Square Station. The escalator replacement work will coincide with the construction of a mixed-use development, which is planned above and adjacent to the station entrance. Our goal throughout this process is to keep the public aware of possible construction impacts including delays, detours, lane closures & potential noise. Having advance notice of these events will allow local residents & business to prepare accordingly.

The Pershing Square Station, 4th Street east entrance will be closed, April 18, 2016 thru January 2017. Pedestrian traffic will be safely routed around the construction zone. Clear signage will be in place directing both foot & vehicular traffic with detours where necessary. Advance and same day notices will be in place for this event.

The 4th St. west entrance will remain open during construction. Access to the Metro Red Line and to Pershing Square area businesses including hotels, shops and restaurants will be maintained, with re-routing clearly marked. Emergency access will be maintained at all times.

NOTEWORTHY

PERSHING SQUARE STATION, 4th ST. EAST ENTRANCE CLOSURE:

Night hours, varies depending on schedule of work.

Pershing Square Station 4th St. east portal access re-routed with signage.

Street traffic and pedestrian re-routing, possible turn lane closures, large trucks & cranes, some noise.

Metro apologizes for any inconvenience during this period and appreciates your understanding and cooperation.
