Dear valued stakeholder:

Thank you for your work and advocacy on behalf of the people of California to fix our roads. While there will not be a lame-duck session of the Legislature to approve a transportation funding deal in 2016, our work on this critical issue continues.

The Administration, Assembly and Senate are all committed to tackling this issue early in the new year to address our critical infrastructure and transportation needs – and we'll need your continued support.

Let's get it done!
