Report of Independent Auditors

To the Honorable Members of the Board of Supervisors of the County of Los Angeles, California and the Los Angeles County Metropolitan Transportation Authority

Report on the Financial Statements

We have audited the accompanying financial statements of the Proposition A Local Return Fund, Proposition C Local Return Fund, Measure R Local Return Fund, Transportation Development Act Article 3 Fund and Transportation Development Act Article 8 Fund (collectively, the Funds), of the County of Los Angeles, California (the County) which comprise the Funds' balance sheets as of June 30, 2016, and the related statements of revenues, expenditures and changes in fund balances for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Proposition A Local Return Fund, the Proposition C Local Return Fund, the Measure R Local Return Fund, the Transportation Development Act Article 3 Fund and the Transportation Development Act Article 8 Fund of the County of Los Angeles, California, as of June 30, 2016 and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The financial statements of the Proposition A Local Return Fund, Proposition C Local Return Fund, Measure R Local Return Fund, Transportation Development Act Article 3 Fund and Transportation Development Act Article 8 Fund as of and for the year ended June 30, 2015, were audited by other auditors, whose report, dated December 17, 2015, expressed an unmodified opinion on those statements.

Emphasis of Matter

As discussed in Note 2, the financial statements present only the Proposition A Local Return Fund, the Proposition C Local Return Fund, the Measure R Local Return Fund, the Transportation Development Act Article 3 Fund and the Transportation Development Act Article 8 Fund of the County and do not purport to, and do not present fairly the financial position of the County as of June 30, 2016, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Supplementary Information

Our audits were conducted for the purpose of forming opinions on each of the Funds' financial statements as a whole. The supplementary information identified in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information identified in the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Funds' basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the Funds' basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Funds' basic financial statements or to the Funds' basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to each of the Funds' basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

Varguez & Company LLP

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2016 on our consideration of the County's internal control over the Funds' financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over the Funds' financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over the Funds' financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over the Funds' financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fund Accounting

The operations of the Proposition A Local Return Fund (PALRF), Proposition C Local Return Fund (PCLRF), Measure R Local Return Fund (MRLRF), Transportation Development Act Article 3 Fund (TDAA3F) and Transportation Development Act Article 8 Fund (TDAA8F) (collectively, the Funds) are accounted for in separate sets of self-balancing accounts that comprise their assets, liabilities, fund balance, revenues and expenditures.

PALRF and PCLRF represent 25% and 20%, respectively, of the ½ cent Proposition A and ½ cent Proposition C sales taxes which are distributed to the jurisdictions within Los Angeles County based on population and must be used exclusively for transportation related programs and projects.

MRLRF is derived from 15% of a county-wide ½ cent sales tax which is distributed to the jurisdictions within Los Angeles County based on a per capita basis and must be used exclusively for transportation purposes.

TDAA3F is a Special Revenue Fund that accounts for the County's share of the Transportation Development Act Article 3 allocations which are legally restricted for specific purposes.

TDAA8F is pooled with other County monies in the Special Revenue Fund. The Special Revenue Fund accounts for the County's share of the Transportation Development Act Article 8 allocations, which are legally restricted for specific purposes.

Basis of Accounting and Measurement Focus

The PALRF, PCLRF, MRLRF, TDAA3F and TDAA8F are reported as Special Revenue Funds of the County and are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become "susceptible to accrual", that is, measurable and available to finance expenditures of the current period. Expenditures are recorded when the liability is incurred.

Special Revenue Funds are reported on a spending or "financial flow" measurement focus. This means that generally only current assets, current liabilities and deferred inflows and outflows of resources are included on their balance sheets. Statements of revenues, expenditures and changes in fund balances for Special Revenue Funds generally present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Budgets and Budgetary Accounting

The budgeted amounts presented in this report for comparison to the actual amounts are presented in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurement

In accordance with GASB Statement No. 72, Fair Value Measurement and Application, which became effective for the fiscal year ended June 30, 2016, the County categorizes its fair value measurement within the fair value hierarchy that is based on the valuation inputs used to measure the fair value of the investment. Level 1 inputs are quoted prices in active markets for identical investments; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. Accordingly, the County reports its investments at fair value and recognizes unrealized gain (loss) on investments.

Refer to the County's 2016 Comprehensive Annual Financial Report for detailed disclosures regarding the County's investments policy and fair value measurements.

Fund Balance Reporting

Governmental Accounting Standards Board (GASB) Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions, establishes the fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds.

The PALRF, PCLRF, MRLRF, TDAA3F and TDAA8F report the following fund balance classification as of June 30, 2016:

Restricted - Amounts that are constrained for specific purposes, which are
externally imposed by providers, such as creditors, or amounts constrained
due to constitutional provisions or enabling legislation. The use of the
Funds' remaining fund balances are restricted for projects approved by
LACMTA.

Information regarding the fund balance reporting policy adopted by the County is described in Note 1 to the County's Comprehensive Annual Financial Report.

Deferred Outflows and Inflows of Resources

Pursuant to GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position* and GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, the County recognizes deferred outflows and deferred inflows of resources. A deferred outflow of resources is defined as a consumption of net position by the government that is applicable to a future reporting period. A deferred inflow of resources is defined as an acquisition of net position by the government that is applicable to a future reporting period.

Deferred inflows of resources reported by the County represent unavailable resources that are not available for spending as of June 30, 2016 and 2015.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Other Revenues

The PCLRF, MRLRF, and TDAA3F other revenues represent work performed on various transit-related projects for other cities or agencies. The County recognizes revenues based on the contractual or Joint Powers Authorities (JPA) agreement, which outlines monies, to be received at various completions stages of the projects.

Reimbursements

The PALRF reimbursements represent monies received from other cities, agencies or private parties for expenditures incurred in the previous years on joint transit-related projects. For the years ended June 30, 2016 and June 30, 2015 the County received \$639,461 and \$680,671, respectively, and are reported under PALRF service reimbursement revenues.

Rents and concessions

The County occasionally rents out its parking facilities and vehicles used for PALRF transit-related projects to private parties or filmmakers. For the years ended June 30, 2016 and June 30, 2015, the County collected \$672 and \$652, respectively.

Reclassification

In order to facilitate comparison of financial information, certain amounts reported in the prior year have been reclassified to conform to the current year's presentation. Such reclassifications had no effect on the previously reported changes in fund balances.

NOTE 2 ANNUAL FINANCIAL STATEMENTS

The financial statements reflect only the financial position and results of operations of the PALRF, PCLRF, MRLRF, TDAA3F, and TDAA8F, and do not purport to, and do not present fairly the County's financial position as of June 30, 2016 and 2015, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 3 PROPOSITION A AND PROPOSITION C LOCAL RETURN COMPLIANCE REQUIREMENTS

The Proposition A Ordinance requires that Local Return (LR) funds be used exclusively to benefit public transit. Expenditures related to fixed route and paratransit services, Transportation Demand Management, Transportation Systems Management and fare subsidy programs that exclusively benefit transit are all eligible uses of Proposition A LR funds. Proposition A LR funds may also be traded with other Jurisdictions in exchange for general or other funds.

The Proposition C Ordinance directs that LR funds also be used to benefit public transit, as described above, but provides an expanded list of eligible project expenditures including Congestion Management Programs, bikeways and bike lanes, street improvements supporting public transit service, and Pavement Management System projects. Proposition C LR funds cannot be traded.

NOTE 3 PROPOSITION A AND PROPOSITION C LOCAL RETURN COMPLIANCE REQUIREMENTS (CONTINUED)

In accordance with *Proposition A and Proposition C Local Return Program Guidelines*, funds received pursuant to these guidelines may only be used for Proposition A and Proposition C Local Return approved programs. See accompanying Compliance Matrix.

NOTE 4 MEASURE R LOCAL RETURN COMPLIANCE REQUIREMENTS

The Measure R Ordinance specifies that LR funds be used exclusively for transportation purposes.

In accordance with *Measure R Local Return Program Guidelines*, funds received pursuant to these guidelines may only be used for Measure R Local Return approved programs. See accompanying Compliance Matrix.

NOTE 5 TRANSPORTATION DEVELOPMENT ACT COMPLIANCE REQUIREMENTS

In accordance with *Public Utilities Code Section 99234 and 99400(a)*, funds received pursuant to this Code's section may only be used for activities relating to pedestrians and bicycle facilities, transit and paratransit program to fulfill unmet transit needs in areas outside the service area of LACMTA operations. See accompanying Compliance Matrix.

NOTE 6 CASH AND INVESTMENTS

The PALRF, PCLRF, MRLRF, TDAA3F, and TDAA8F cash balances were pooled with various other County funds for deposit and investment purposes. The share of each fund in the pooled cash account was separately maintained and interest income was apportioned to the participating funds based on the relationship of their average quarterly balances to the total of the pooled cash and investments.

Please refer to the County's Comprehensive Annual Financial Report (CAFR) for a full description of risks relating to cash and investments.

NOTE 7 ACCOUNTS RECEIVABLE

The PALRF, PCLRF, MRLRF and TDAA3F accounts receivable balances represent monies to be paid to the County as of June 30 for work performed on various transit-related projects from other cities and agencies based on contractual or Joint Powers Authorities (JPA) agreements. The County receives monies at various stages of completion. The balances as of June 30 consist of the following:

City / Agency	_	2016	2015
<u>PALRF</u>	_		 _
Department of Transportation	\$	1,589,936	\$ 483,600
LACMTA		136,150	775,645

City of Lynwood	\$	10,031	\$ -
LACMTA	•	257,338	-
Department of Transportation		-	6,000
·	\$_	267,369	\$ 6,000

NOTE 8 DUE FROM OTHER FUNDS / DUE TO OTHER FUNDS

The County freezes its cash account during the closing process. Accordingly, all cash receipts and disbursements occurring subsequent to June 30th but before the fiscal year's closing on August 15th are temporarily recorded in these clearing accounts, which are reversed in the subsequent period.

The due from balances as of June 30, 2016 comprised of the following amounts:

<u>PALRF</u>		
Internal Service Fund	\$	81,308
General Fund		137,693
	\$	219,001
20125		
<u>PCLRF</u>		
Public Works - Road Fund	\$	60,418

General Fund		19,417
	\$ _	1,615,513

NOTE 8 DUE FROM OTHER FUNDS / DUE TO OTHER FUNDS (CONTINUED)

MRLRF	2016
Internal Service Fund	\$ 221,320
Public Works - Flood Fund	31,746
General Fund	6,018
	\$ 259,084
TDAA3F	
Internal Service Fund	\$ 66,170
Public Works - Flood Fund	29,795
	\$ 95,965

NOTE 9 ADVANCES TO INTERNAL SERVICE FUND

The County utilizes an internal service fund to pay for all payroll, equipment and material usage between departments. In order to maintain operating cash for the Internal Service Fund, all County funds allocate based on its funds size a pro-rata portion of its cash and advance it to Internal Service Fund. The PALRF, PCLRF and MRLRF amounts are primarily used to cover the cost of payroll usage from other departments and are evaluated every two years.

As of June 30, 2016 and 2015, PALRF, PCLRF and MRLRF's advances to Internal Fund were as follows:

	 2016	2015
PALRF	\$ 191,900 \$	193,700
PCLRF	615,200	684,500
MRLRF	168,000	254,300

NOTE 10 PROPOSITION A DISCRETIONARY INCENTIVE GRANTS AND PROPOSITION C DISCRETIONARY GRANTS

The Proposition A Discretionary Incentive Grants represent additional funds received from LACMTA to provide the Sub-Regional Paratransit projects and for participating Voluntary National Transit Database (NTD) data reporting programs. The Proposition A Discretionary Incentive Grant was recorded under PALRF, and for the years ended June 30, 2016 and 2015 were comprised of:

	 2016	_	2015
Hollywood Bowl Park and Ride			
Regional Transit Project	\$ 1,057,000	\$	1,057,000
Voluntary NTD Reporting Program	336,794		319,518
Subregional Paratransit	 253,035		220,077
	\$ 1,646,829	\$	1,596,595

0045

NOTE 10 PROPOSITION A DISCRETIONARY INCENTIVE GRANTS AND PROPOSITION C DISCRETIONARY GRANTS (CONTINUED)

The Proposition C Discretionary Grants represent funds received from LACMTA towards grants servicing various multi-year traffic projects in Los Angeles County. The Proposition C Discretionary Grants was recorded under PALRF, and amounted to \$9,388,817 and \$7,254,172 for the years ended June 30, 2016 and 2015, respectively.

NOTE 11 OTHER GOVERNMENT GRANTS – PALRF

Other government grants under PALRF represent grant funds received from other governmental agencies towards Proposition A projects, and for the years ended June 30, 2016 and 2015 were comprised of:

	 2016	2015
Antelope Valley Transit Authority Grant	\$ 317,868 \$	383,600
Transit Planning Grant	69,304	72,000
Section 5311 Rural Area Grant	13,212	28,000
Mobile Source Air Pollution Reduction		
Review Committee (MSRC) Grant	 -	50,000
	\$ 400,384 \$	533,600

NOTE 12 SALE OF CAPITAL ASSETS – PALRF

During the year ended June 30, 2015 the County disposed of surplus transit vehicles and received \$50,208 in proceeds. The proceeds were recorded as revenue under PALRF. There were no disposals of capital assets during the year ended June 30, 2016.

NOTE 13 CAPITAL RESERVE ACCOUNT – PCLRF

On July 23, 2011, LACMTA and the County entered into an agreement to establish a capital reserve account (Account) for the El Pueblo Transit Hub Safety Project and several major street improvement projects in the initial amount of \$24,639,000. The funding of the Account will continue through Proposition C allocations at the discretion of the County until June 30, 2016. If the project is not completed by June 30, 2016, any unexpended funds shall lapse and have to be returned to LACMTA. Per agreement, all interest is accrued and placed in the capital reserve account for use exclusively for the El Pueblo Transit Hub Safety Project and any street improvement projects designated in the Account.

NOTE 13 CAPITAL RESERVE ACCOUNT – PCLRF (CONTINUED)

	_	2016		2015
Capital reserve balance at July 1	\$	8,737,654	\$	10,861,131
Add: Additional capital reserve		34,613		-
Add: Interest income		12,129		68,192
Less: Expenditures during the year	_	(8,784,396)		(2,191,669)
Capital reserve balance at June 30	\$	-	\$_	8,737,654

NOTE 14 TRANSPORTATION DEVELOPMENT ACT ARTICLE 3 FUND REVENUE ALLOCATION

The revenue allocation for the years ended June 30, 2016 and 2015 consisted of the following:

	 2016	2015
FY 2012-13 Allocation	\$ - \$	228,511
FY 2013-14 Allocation	168,076	1,671,489
FY 2014-15 Allocation	1,497,998	-
FY 2015-16 Allocation	333,926	-
FS 2015-16 Allocation*	257,000	-
Total	\$ 2,257,000 \$	1,900,000

^{*} The revenue was accrued at June 30, 2016. However, the drawdown was not processed by LACMTA until FY 2016/17 for FY 2015/16. This amount is presented as part of the balance of funds reserved as of June 30, 2016 on Note 15.

NOTE 15 TRANSPORTATION DEVELOPMENT ACT ARTICLE 3 FUNDS RESERVED

In accordance with TDA Article 3 (SB821) Guidelines, funds which will not be spent during the fiscal year have been placed on reserve in the Local Transportation Fund (LTF) account with the County Auditor-Controller to be drawn down whenever the funds become eligible for a specific project and an approved drawdown request is received by LACMTA. As of June 30, 2016, the County has funds on reserve as follows:

	 2016	2015
FY 2013-14 Allocation	\$ - \$	168,076
FY 2014-15 Allocation	-	1,497,998
FY 2015-16 Allocation	1,122,891	-
Available reserve balance	\$ 1,122,891 \$	1,666,074

For FY 2015/16, any TDA Article 3 funds left on reserve for FY 2011/12 or prior, are subject to lapse if not claimed by the County by June 30, 2016. There were no funds that lapsed in FY 2015/16.

NOTE 15 SUBSEQUENT EVENTS

The County has evaluated subsequent events through December 20, 2016, the date the financial statements were available to be issued, and concluded no events have occurred that require disclosure or adjustments to the financial statements.

Report of Independent Auditors on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Honorable Members of the Board of Supervisors of the County of Los Angeles, California and the Los Angeles County Metropolitan Transportation Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Proposition A Local Return Fund, the Proposition C Local Return Fund, the Measure R Local Return Fund, the Transportation Development Act Article 3 Fund and the Transportation Development Act Article 8 Fund (collectively, the Funds) of the County of Los Angeles, California (the County) as of and for the year ended June 30, 2016, and the related notes to the financial statements, and have issued our report thereon dated December 20, 2016.

Internal Control over Financial Reporting

In planning and performing our audits of the Funds' financial statements, we considered the County's internal control over the Funds' financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the Funds' financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audits we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's Proposition A Local Return Fund, Proposition C Local Return Fund, Measure R Local Return Fund, Transportation Development Act Article 3 Fund and the Transportation Development Act Article 8 Fund financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report of Independent Auditors on Compliance

To the Honorable Members of the County Council of the County of Los Angeles, California and the Los Angeles County Metropolitan Transportation Authority

Report on Compliance

We have audited the compliance of the County of Los Angeles, California (the County) with the Proposition A and Proposition C Local Return Guidelines, Measure R Local Return Guidelines, Transportation Development Act Articles 3 and 8, and the Los Angeles County Metropolitan Transportation Authority's Funding and Allocation Guidelines for Transportation Development Act Article 3 Bicycle and Pedestrian Funds and the LACMTA Guidelines for the Administration of TDA Article 8 (collectively, the Guidelines) for the year ended June 30, 2016.

Management's Responsibility

Management is responsible for the County's compliance with the Guidelines.

Auditors' Responsibility

Our responsibility is to express an opinion on the County's compliance based on our audit. We conducted our audit of compliance in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the Guidelines. Those standards and the Guidelines require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the Proposition A Local Return Program, Proposition C Local Return Program, Measure R Local Return Program, and Transportation Development Act Articles 3 and 8 Programs occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with the Guidelines. However, our audit does not provide a legal determination of the County's compliance with the Guidelines.

Opinion

In our opinion, the County of Los Angeles, California complied, in all material respects, with the compliance requirements of the Guidelines for the year ended June 30, 2016.

Report on Internal Control over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements, such that there is a reasonable possibility that material noncompliance will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guidelines. Accordingly, this report is not suitable for any other purpose.

HOLLYWOOD BOWL PARK AND RIDE REGIONAL TRANSIT PROJECT

OFFICE LOCATIONS: Los Angeles Sacramento San Diego

Report of Independent Auditors on Compliance

To the Honorable Members of the County Council of the County of Los Angeles, California and the Los Angeles County Metropolitan Transportation Authority

Report on Compliance

We have audited the compliance of the County of Los Angeles, California (County) with the provisions of the Memorandum of Understanding for Specialized Transportation Services MOU Number MOU.PO1 LACHB (MOU) between the County's Department of Public Works and Los Angeles County Metropolitan Transportation Authority for the Hollywood Bowl Park and Ride Regional Transit Project for the year ended June 30, 2016.

Management's Responsibility

Management is responsible for the County's compliance with the provisions of the MOU.

Auditors' Responsibility

Our responsibility is to express an opinion on the County's compliance based on our audit. We conducted our audit of compliance in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the MOU. Those standards and the MOU require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the Hollywood Bowl Park and Ride Regional Transit Project occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with the MOU. However, our audit does not provide a legal determination of the County's compliance with the MOU.

Opinion

In our opinion, the County of Los Angeles complied, in all material respects, with the aforementioned requirements for the year ended June 30, 2016.

Report on Internal Control over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements, such that there is a reasonable possibility that material noncompliance will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the MOU. Accordingly, this report is not suitable for any other purpose.

Los Angeles, California December 20, 2016

TRANSIT FUND ALLOCATION

On June 17, 2015, Los Angeles County Metropolitan Transportation (LACMTA) approved \$1,057,000 in transit fund allocations to the Los Angeles County Department of Public Works (Grantee) to subsidize the Hollywood Bowl Shuttle Project (Project) for year ended June 30, 2016.

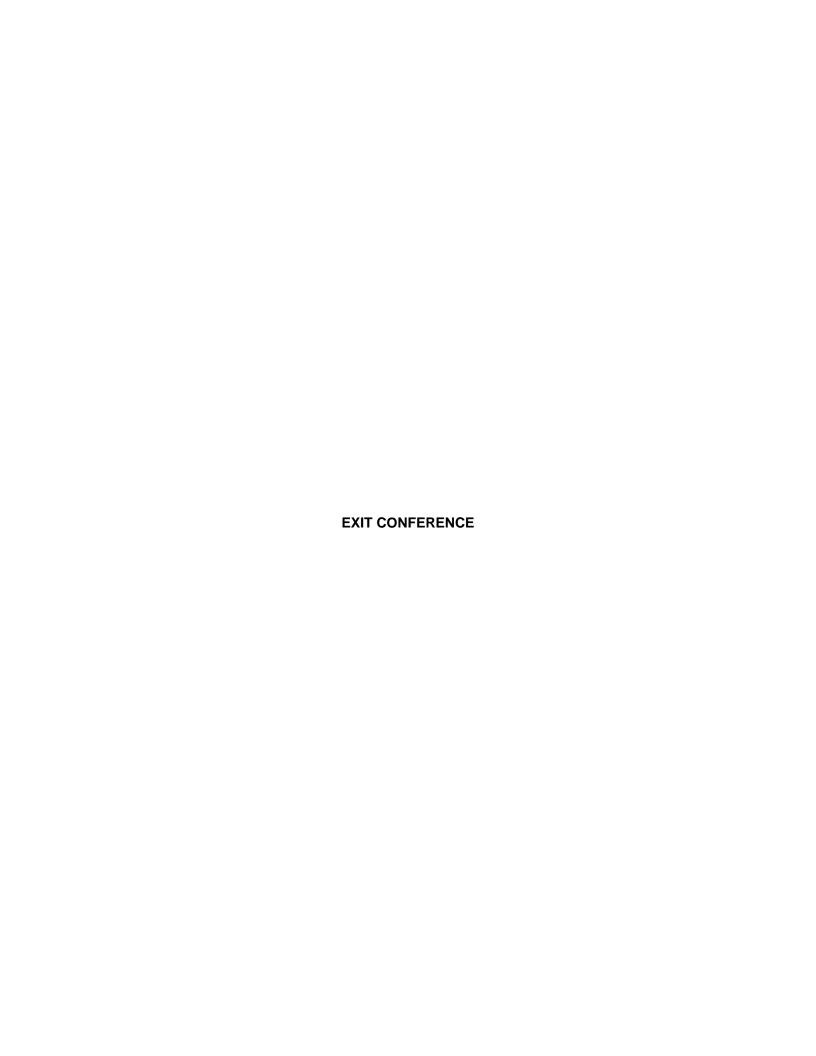

AGREEMENT

On January 9, 2009, LACMTA and the Grantee entered into a Memorandum of Understanding (MOU) amending the original agreement. In accordance with Section 2.2 of the MOU, the Grantee funds must be approved by LACMTA each fiscal year. The funds are available on a reimbursement basis limited to the lesser of (1) amount approved by LACMTA; or (2) 87% of Grantee's actual operating expenses less farebox revenue.

SUMMARY OF REPORTED AND AUDITED PROJECT EXPENDITURES

The amount of Grantee funds allocated for "reimbursement" for the year ended June 30, 2016 was \$1,057,000 as noted below:

Brief Description	Reported Project Expenditure			Audit Adjustment		Audited Project Expenditure
	_ =	ponana.o		7.00,000	-	
Total Project Costs (Operating)	\$	1,369,871	\$	-	\$	1,369,871
Percentage Allowable per Agreement		87%		-	_	87%
87% of Total Project Cost (\$1,369,871 * 87%) (A)	\$_	1,191,788	\$_	-	\$	1,191,788
LACMTA Approved - Transit fund allocation (B)	\$_	1,057,000	\$	-	_\$	1,057,000
Lesser of						
(A) 87% of Total Project Costs or						
	_		_		_	
(B) LACMTA Approved Transit Fund Allocation	\$_	1,057,000	\$	-	\$	1,057,000
