Report of Independent Auditors

To the Board of Directors of Access Services and the Los Angeles County Metropolitan Transportation Authority

Report on the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues

We have audited the accompanying Schedules of Revenues and Expenditures of Access Services for the years ended June 30, 2019 and 2018 and Schedules of Advanced Funds and Deferred Revenues as of June 30, 2019 and 2018 as defined by the Proposition C Program Guidelines and the Memorandum of Understanding (MOU Nos. P000ASI23 and P000AS122) dated June 28, 2018 and June 22, 2017, respectively, between Access Services as grantee, and the Los Angeles County Metropolitan Transportation Authority (LACMTA), as grantor and the related notes to the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues (collectively, the Schedules).

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these Schedules in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Schedules that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Schedules based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedules. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedules, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedules.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Schedules of Revenues and Expenditures for the years ended June 30, 2019 and 2018 and the Schedules of Advanced Funds and Deferred Revenues as of June 30, 2019 and 2018 referred to above present fairly, in all material respects, the revenues and expenditures and advanced funds and deferred revenues of Access Services under MOU Nos. P000ASI23 and P000ASI22 as of and for the years ended June 30, 2019 and 2018, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

As discussed in Note 3, the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues present only the revenues, expenditures and advanced funds and deferred revenues of Access Services under MOU Nos. P000ASI23 and P000ASI22, and do not purport to, and do not present fairly the financial position of Access Services as of June 30, 2019 and 2018 and the changes in its financial position thereof for the years then ended, in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Prior Year Restatement

As disclosed in Note 4, the Schedule of Advanced Funds as of June 30, 2018 has been restated to reflect adjustments made to correct an error in the 2018 financial statements.

Supplementary Information

Our audits were conducted for the purpose of forming opinions on the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues. The Schedule of Capital Assets and the Advanced Funds Rollforward Schedule – Operating and Capital Grants are presented for purposes of additional analysis and are not a required part of the Schedules. The Schedule of Capital Assets is presented for purposes of additional analysis and has not been subjected to the auditing procedures applied in the audits of the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues. Accordingly, we do not express an opinion or provide any assurance on them.

The Advanced Funds Rollforward Schedule – Operating and Capital Grants is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Schedules. Such information has been subjected to the auditing procedures applied in the audit of the Schedules and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Schedules or to the Schedules themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Advanced Funds Rollforward Schedule – Operating and Capital Grants is fairly stated in all material respects in relation to the Schedules as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2020 on our consideration of Access Services' internal control over financial reporting which includes preparation of the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting of the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Access Services' internal control over financial reporting of the Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenues or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and in considering Access Services' internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Access Services was incorporated in the State of California as a nonprofit 501 (c)(3) public benefit corporation on March 31, 1994. Access Services is the designated Los Angeles County Consolidated Transportation Agency (CTSA) pursuant to Government Code §159759(a) and public entity pursuant to Government Code §15975(t). Access Services administers the Los Angeles County Coordinated Paratransit Plan on behalf of the Los Angeles (LA) County's 45 public fixed route operators (i.e., bus and rail). Access Services facilitates the provision of complementary American Disability Act (ADA) paratransit services to certain persons with disabilities as required by 42 U.S.C. §12143 under the name "Access Paratransit". Paratransit is an alternative mode of flexible passenger transportation that does not follow fixed routes or schedules. Access Paratransit system provides approximately 3.4 million trips per year to more than 171,000 qualified disabled riders in a service area of over 1,950 square miles.

Access Services is governed by a Board of Directors composed of the nine members of the LA County Board of Supervisors, the City Selection Committee's Corridor Transportation Representatives, the Mayor of the City of Los Angeles, the LA County municipal fixed-route operators, the LA County local fixed-route operators, the LA County Commission on Disabilities, the Coalition of LA County Independent Living, the LA County Metropolitan Transportation Authority (LACMTA), and an alternating appointment by the municipal and local fixed-route operators.

Accounting and Reporting

Proposition C funds represent 40% of the ½ cent Proposition C sales taxes which must be used exclusively for transportation related programs and projects. Measure M funds represent 2% of the county-wide ½ cent Measure M sales tax which is distributed to the jurisdictions within Los Angeles County based on a per capita basis and must be used exclusively for transportation purposes. Regional Surface Transportation Program (RSTP) Funds were provided through Federal Section 5310 Program. The operations of the Proposition C Discretionary Incentive Grant, Measure M Grant, and Federal Section 5310 Grant are accounted for in a separate set of self-balancing accounts that accounts for its revenues and expenditures.

Basis of Accounting

Revenues and expenditures are accounted for using the accrual basis of accounting. Revenues from grants are recognized when expenditures are incurred. Expenditures are generally recognized when the related liabilities are incurred.

Use of Estimates

The preparation of the Schedules in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and expenditures during the relevant period. Actual results could differ from the estimates.

Access Services
MOU Nos. P000AS123 and P000AS122
Notes to Schedules of Revenues and Expenditures and
Advanced Funds and Deferred Revenues
Years ended June 30, 2019 and 2018

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Access Services primarily receives revenue from FTA Section 5310, Measure M and Proposition C Discretionary fund grants through LACMTA, and passenger fares for the paratransit services provided. Revenues are deemed to be earned when allowable expenses are incurred or recognized by Access Services. Passenger revenues are recognized as services are provided to passengers.

Expenses

Salaries, benefits, and other related expenses are categorized to paratransit operations, eligibility determination, CTSA function and ride information, and management and general, primarily based on personnel job function. Other indirect costs are allocated based on either the number of employees located within a department, estimated asset usage, or the nature of services provided.

Reclassifications

Certain amounts in the 2018 financial statements have been reclassified to conform to the 2019 presentation.

NOTE 2 MEMORANDUM OF UNDERSTANDING

Access Services (grantee) and the Los Angeles County Metropolitan Transportation Authority (LACMTA) (grantor) entered into a Memorandum of Understanding each year as follows, for the purpose of providing funding to Access Services during the fiscal years 2018/19 and 2017/18 for the provision of ADA mandated complementary paratransit service on behalf of member agencies, to provide shuttles or deviated route service and to carry out Access Services' role as the CTSA for Los Angeles County as required under §15950 of the California Government Code:

<u>MOU No.</u>	<u>MOU Date</u>	<u>Effective Date Through</u>
P000AS123	June 28, 2018	June 30, 2019
P000AS122	June 22, 2017	June 30, 2018

LACMTA made available to Access Services the following amounts for fiscal years ended June 30:

	<u>2019</u>	<u>2018</u>
Federal Section 5310 program	\$ 66,000,000	\$ 64,600,000
Proposition C 40% Discretionary - operating and capital	61,163,245	87,700,000
Measure M 2%	23,720,100	-
	<u>\$ 150,883,345</u>	<u>\$ 152,300,000</u>

Access Services
MOU Nos. P000ASI23 and P000ASI22
Notes to Schedules of Revenues and Expenditures and
Advanced Funds and Deferred Revenues
Years ended June 30, 2019 and 2018

NOTE 2 MEMORANDUM OF UNDERSTANDING (CONTINUED)

LACMTA has authorized RSTP funds for Access Services in the amount of \$66,000,000 for FY2018/19. These funds have been flexed into Federal Section 5310 Program – Enhanced Mobility of Seniors and Individuals with Disabilities grant (Federal Award Identification Number (FAIN) 5830-2017-1), which was approved by the Federal Transit Administration (FTA) on June 28, 2017.

LACMTA also authorized the Proposition C 40% and Measure M 2% funding of \$61,163,245 and \$23,720,100, respectively, totaling \$84,883,345 for operating funds payable in ten (10) equal monthly installments of \$8,488,334 beginning in July 2018, payable on the 1st of each month following receipt of a disbursement request and subject to the conditions set forth below:

- Proposition C 40% funds in the amount of \$3,500,000 is held by LACMTA in reserve for trips in excess of the budgeted amount if needed. Reserve funds may be disbursed upon request and written agreement between LACMTA and Access.
- Any unused FY 2017/2018 Proposition C 40% operating funds identified as a result of the audit and not designated as grant match shall be deemed available and shall be applied against Access' unwithdrawn FY 2017/18 Proposition C 40% funding.
- Any unused FY 2017/18 Proposition C 40% capital funds not expended and/or encumbered as a result of the audit may be carried forward into the next fiscal year upon written request and approval from LACMTA.

In accordance with MOU Nos. P000ASI23 and P000ASI22, the Grantee must abide by the restrictions for the use of the funds as enumerated under Section 4 of the agreements.

NOTE 3 SCHEDULES OF REVENUES AND EXPENDITURES AND ADVANCED FUNDS AND DEFERRED REVENUES

The Schedules are intended to reflect the revenues and expenditures and advanced funds and deferred revenues relative to FTA Section 5310 Program and Proposition C Discretionary funds only under MOU Nos. P000ASI23 and P000AS122. Accordingly, the Schedules do not purport to, and do not present fairly the financial position of Access Services and changes in financial position thereof as of and for the years ended June 30, 2019 and 2018 in conformity with generally accepted accounting principles in the United States of America.

As of June 30, 2019, Access Services has unspent funds of \$7,163,748 related to Proposition C funding from LACMTA that it has presented as Deferred Revenues in its audited financial statements.

Access Services
MOU Nos. P000ASI23 and P000ASI22
Notes to Schedules of Revenues and Expenditures and
Advanced Funds and Deferred Revenues
Years ended June 30, 2019 and 2018

NOTE 4 PRIOR YEAR RESTATEMENT

The Schedule of Advanced Funds as of June 30, 2018 has been restated as follows:

Advance Funds as of June 30, 2018, as previously reported	\$ 19,192,513
Adjustment made to correct double reporting of accrued pension liability	<u>(2,322,823)</u>
Advance Funds, as restated	<u>\$ 16,869,690</u>

NOTE 5 SUBSEQUENT EVENTS

Access Services has evaluated events or transactions that occurred subsequent to June 30, 2019 through March 31, 2020 the date the accompanying Schedules were available to be issued, for potential recognition or disclosure and determined no subsequent matters require disclosure or adjustment to the accompanying Schedules.

Report of Independent Auditors on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors of Access Services and the Los Angeles County Metropolitan Transportation Authority

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenue (Schedules) as defined by the Proposition C Program Guidelines and Memorandum of Understanding (MOU No. P000AS123) dated June 28, 2018 between Access Services, as grantee, and the Los Angeles County Metropolitan Transportation Authority, as grantor as of and for the year ended June 30, 2019, and have issued our report thereon dated March 31, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the Schedules, we considered Access Services' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the accompanying Schedules of Revenues and Expenditures and Advanced Funds and Deferred Revenue, but not for the purpose of expressing an opinion on the effectiveness of Access Services' internal control. Accordingly, we do not express an opinion on the effectiveness of Access Services' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a deficiency in internal control as described in the accompanying Schedules of Findings and Questioned Costs as Finding #2019-001 that we consider to be a material weakness.

Access Services' response to the internal control over financial reporting material weakness identified in our audit is described in the accompanying Schedule of Findings and Questioned Cost. Access Services' response was not subjected to the auditing procedures applied in the audit of the Schedule, and accordingly, we express no opinion on the response.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Access Services' Schedules are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over the Schedules and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control over the Schedules or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control over the Schedules and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "Vasquez & Company LLP".

March 31, 2020**

COMPLIANCE SECTION

Report of Independent Auditors on Compliance

To the Board of Directors of Access Services and the Los Angeles County Metropolitan Transportation Authority

Report on Compliance

We have audited the compliance of Access Services with the Proposition C Program Guidelines and Memorandum of Understanding (MOU No. P000ASI23) dated June 28, 2018 (collectively, the Guidelines) for the year ended June 30, 2019.

Management's Responsibility

Management is responsible for Access Services' compliance with the Guidelines.

Auditors' Responsibility

Our responsibility is to express an opinion on Access Services' compliance with the Guidelines based on our audit. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the Guidelines referred to in the preceding paragraph. Those standards and the Guidelines require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the Proposition C Grant program occurred. An audit includes examining, on a test basis, evidence about Access Services' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with the Guidelines. However, our audit does not provide a legal determination of Access Services' compliance with the Guidelines.

Opinion

In our opinion, Access Services complied, in all material respects, with the compliance requirements of the Guidelines for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of Access Services is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered Access Services' internal control over compliance to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Access Services' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements, such that there is a reasonable possibility that material noncompliance will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guidelines. Accordingly, this report is not suitable for any other purpose.

A handwritten signature in black ink that reads "Vaqueria & Company LLP". The signature is written in a cursive, flowing style.

12.	Administrative costs, as defined in the MOU, do not exceed ten percent (10%) of the total Operating and Capital expense for ADA Paratransit Operations and the CTSA activities.	X				

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Access Services
MOU No. P000ASI23
Schedule of Findings and Questioned Costs
Year ended June 30, 2019

Internal Control Finding #2019-001:

Condition	Access Services has historically overstated its encumbrances related to accrued unfunded pension liability and insurance-related liability, by reporting them separately in the financial statements as well as embedding them within its deferred support accounts.
Cause	The Organization did not periodically monitor its accounts to ensure that balances recorded were in accordance with accounting principles generally accepted in the United States of America.
Effect	<p>This resulted in various revisions made on the Schedule of Advanced Funds and Deferred Revenues including changes on the details that composed the advanced funds.</p> <p>Moreover, Access Services corrected its encumbrances and liability accounts as of June 30, 2019, which resulted in a prior year adjustment of \$2,322,823 in its Schedule of Advanced Funds as of June 30, 2018.</p>
Recommendation	<p>We recommend for Access Services to review its current accounting and financial reporting practices and that periodic monitoring is performed to ensure that the Organization follows accounting policies in accordance with accounting principles generally accepted in the United States of America.</p> <p>Access Services should also implement procedures to ensure that appropriate basis of budgeting is used for purposes of submitting its budget to LACMTA annually.</p>
Management's Response	As this issue stems from the Deferred Support account, which is just one of the Liability accounts on the Balance Sheet, management will endeavor to periodically monitor this account to ensure that all appropriate accounting principles are adhered to.

EXIT CONFERENCE

An exit conference was held on February 25, 2020 with Access Services' representatives. Those in attendance were:

Vasquez & Company representatives:

Cristy Canieda – Partner
Marialyn Salvador – Audit Senior Manager
Shweta Mehrotra – Audit Supervisor

LACMTA representatives:

Lauren Choi, Interim Director - Audit
Giovanna Gogreve, Senior Manager, Transportation
Fayma Ishaq, Program Manager

Access Services representatives:

Hector Rodriguez – Deputy Executive Director
Bruce Frink – Senior Manager, Finance, Planning and Analysis
Rene Arrieta – General Accounting Supervisor

Matters discussed:

Results of the audit disclosed no instances of noncompliance with the Guidelines.

A copy of this report was forwarded to the following Access Services representatives for comments prior to the issuance of the final report.

Hector Rodriguez – Deputy Executive Director - Finance
Bruce Frink – Senior Manager, Finance, Planning and Analysis
Rene Arrieta – General Accounting Supervisor
