

Long Range Transportation Plan Follow Up

1. How much prop C 40% money is going to support debt service on new rail projects?
2. On the federal highway side, are there going to be earmarks in the highway bill?
3. Why are there no highway eligible funds after 2012 through 2022?
4. Out of the funds eligible for rail and highway, what is the ratio assigned to each mode and what are the years of allocation? Please include all sources, state, local and federal.
5. Why hasn't Measure R money been fully allocated? Why has only 5-years been presented?
6. If New Starts goals are not achieved, how will this impact Measure R and non-Measure R projects?
7. Is there a way to improve the highway funding request without negatively impacting the Crenshaw & Foothill projects?
8. Board staff would like to see Measure R summarized by project.
