## **Metro Gold Line Eastside Extension Update**

Construction crews worked through the rain last night to remove the boom and upright the crane that overturned yesterday morning at the 1st Street and Lorena Street Metro Gold Line Eastside Extension Project construction site. Metro was assisted by various City of Los Angeles departments including LADOT who provided street closure and traffic detours around the construction recovery activities. The boom was removed, the crane was uprighted and the traffic was reopened at 3:15 am. The construction worker who sustained a minor injury to his foot yesterday, returned to work today.
