Measure R Oversight Committee Meeting

Upcoming Meetings on I-5 Capacity Enhancements – SR 14 to Parker Road

Measure R Oversight Committee Meeting

As required by the Measure R Ordinance, the Measure R Oversight Committee will meet tomorrow, Tuesday, February 26, 2013, to review the audits on Measure R spending and prepare an annual report. Agenda topics will include: 1) review of Measure R independent audits; 2) approval of a public hearing date for the audits; 3) approval of the notice for the public hearing; 4) report on post-Measure J Actions; 5) Measure R Project Progress; and 6) budgeted vs. actual expenditures by project. The public meeting will be held in the Metro Board Conference Room.

Upcoming Meetings on I-5 Capacity Enhancements – SR 14 to Parker Road

This week staff will host two community meetings to introduce concepts to accelerate the construction of carpool lanes in the Santa Clarita Valley. This important Measure R project would add 13.5 miles of new carpool lanes in both directions of Interstate 5 from SR-14 to Parker Road. A public-private-partnership delivery method is being explored to build the project now instead of 2040. Tolling would also be necessary to close a funding gap. The public is invited to learn more about the project and provide feedback. Content at both meetings will be identical. For more details on the project, please click [here](#). For details on the two upcoming outreach meetings, please see below.
