Take the Metro Bike Challenge

Take the Metro Bike Challenge

Our agency will be holding a two-week bike challenge beginning on Monday, May 6, 2013. You can assemble a team of three to five members from your work site and hit the road. You can also log all of your bike trips to work, to the store, to dinner and compile them to be turned in together. Also, there is opportunity to win great prizes and teams can even earn extra points when new bicyclists become enrolled in Metro's bicycle benefits program. The challenge will take place from Monday, May 6, 2013 to Friday, May 19, 2013. For additional information, please click [here](#).
