

Go Places WITH THE... LOS ANGELES TRANSIT LINES

**SECURE
YOUR
FUTURE**

WE WANT VETERANS WHO WANT SECURITY AND STEADY WORK

Work with the Transit Lines does not depend upon changing seasons for the Transliners must roll day and night, rain or shine, summer, winter, spring and fall.

GOOD PAY AND VACATIONS WITH PAY

The pay is comparable to most of the better paid industries. Allowances, such as travel time pay, dead head pay, signing on and signing off pay. After one year of service, you will receive a vacation with pay.

FREE TRANSPORTATION

A pass which entitles you to go wherever you wish at any time on all our lines is given you. After five years your wife or nearest dependent is granted the same privilege.

EMPLOYEE BENEFITS

These are provided through a special fund for medical and surgical treatment, nurses,

hospitals, pharmacists, X-rays, examinations, etc., also life insurance, and sickness and accident insurance which pays benefits up to twenty dollars a week. These services, cost of which is partly borne by the Company, are made possible at a very small expense to employees.

GOOD FELLOWSHIP

Long and lasting friendships have been made through the various employee organizations, a few of which are the American Legion, Women's Club, Red Cross Auxiliary, Veterans' Club, etc. Before the war we had baseball leagues, golf tournaments, bowling tourneys, shows and dancing to the music of our own orchestra. These will be resumed after victory.

NO EXPERIENCE REQUIRED

We train you and pay you during the training period.

Applicants between the ages of 18 and 55 (excluding those for coach service who must be 21) with good eyesight and no physical handicaps are eligible for employment. An Availability Certificate is required.
