## DRIVER RELIEF REQUIREMENTS BY DIVISION

Effective December 11, 2016

TO: Alex DiNuzzo  
SR Executive Officer, Maintenance

FROM: Dan Nguyen   
DEO, Scheduling & Service Performance Analysis

DATE OF ISSUE: November 17, 2016

### PURPOSE OF REPORT:

The Driver Relief (previously known as CEA) Report informs Operations staff of the vehicle unit requirements for operators reliefs by division for Metro operated service effective with the December 11, 2016 service changes and shake-up.

At some divisions, where it is possible to have the operator being relieved take the bus to the division and have the relief operator return to the line terminal in time to continue in scheduled service, the schedules have been altered. This will reduce the need for Driver Relief units.
