2. Ensure that public and community participation includes a "Tier 2-like" stakeholder advisory committee(s) for the I-710 Corridor project, that the committee(s) convene quarterly at minimum, and include representatives of the affected communities, business, the environmental community and other groups.
3. Request that the Executive Committee submit to the MTA Planning and Programming Committee a quarterly status update of the "Compendium of Existing and Proposed Near-Term Air Quality Improvement Strategies for the I-710 Corridor", Exhibit 2 (March 2006).
4. Allocate \$75,000 from the fiscal year 2006-2007 "Proposition A, C, TDA Administration" fund balance to the Gateway Council of Governments to complete the "short-term air quality plan" that addresses near-term mitigations of emissions.
