Mr. Roger Snoble  
Chief Executive Officer  
MTA  
One Gateway Plaza  
Los Angeles, CA 90017

Dear Mr. Snoble:

As you are aware, and pursuant to the letter of October 18, 2002 sent to you from the San Gabriel Valley Council of Governments regarding the San Gabriel Valley Service Sector Council, the City is requesting membership on that Council.

The City Council of the City of La Cañada Flintridge took action at its regular meeting on Monday, October 21, 2002, to approve the City's membership on the San Gabriel Valley Service Sector Council and to authorize the Mayor to appoint a representative to this Council. This appointment will be me, David A. Spence, Mayor. I am interested in serving on this body due to the critical need the City has to participate in the important transportation matters heard by the San Gabriel Valley Service Sector Council.

The City is aware that MTA would have to authorize the expansion of the Council so that our City would be included. The City is in favor of being able to represent itself and the interests of its residents on this Council.

Thank you for your consideration of this important request.

Sincerely,

David A. Spence  
Mayor
