

## NOTICE OF PUBLIC HEARING

### Los Angeles County Metropolitan Transportation Authority

The Los Angeles County Metropolitan Transportation Authority will hold four public hearings in August 2006 to receive community input on proposed modifications to Metro's bus services. Approved changes will become effective December 17, 2006 or later. Details of the hearing dates, times, and locations are listed at the end of this notice.

The upcoming public hearings are being held in conformance with federal public hearing requirements outlined in Section 5307 (d) 1 of Title 49 U.S.C., and public hearing guidelines adopted by the MTA's Board of Directors in 1993, as amended.

Listed below are the service proposals to be considered at the hearings, and the respective service sectors that will host the public hearings. In general, the proposed modifications will improve the efficiency and effectiveness of the public transportation system through a better use of resources. The public can attend any of these hearings and comment on proposals of interest to them.
