Regional TAP & Muni Status

- Metro Contracted Fleet completed in June
 - Approximately 200 buses now have UFS compatible fare boxes
- Santa Clarita installation will occur on July 20
 - Approximately 70 buses to be installed
 - Metro and Booz have assisted throughout
- TAP team have met with Culver City Bus
 - Early stages of installation to begin later this summer
 - Physical “cut over” of the fleet will occur in November/December

New Developments

- “Non-Disclosure Agreements” (NDAs) have been executed with Mastercard, Chase.
- Citibank and VISA in process
- Exploring “business cases” with all interested entities
- Identifying potential real estate for banking interests on Transit Oriented Development sites
