Overview of Current Strategies

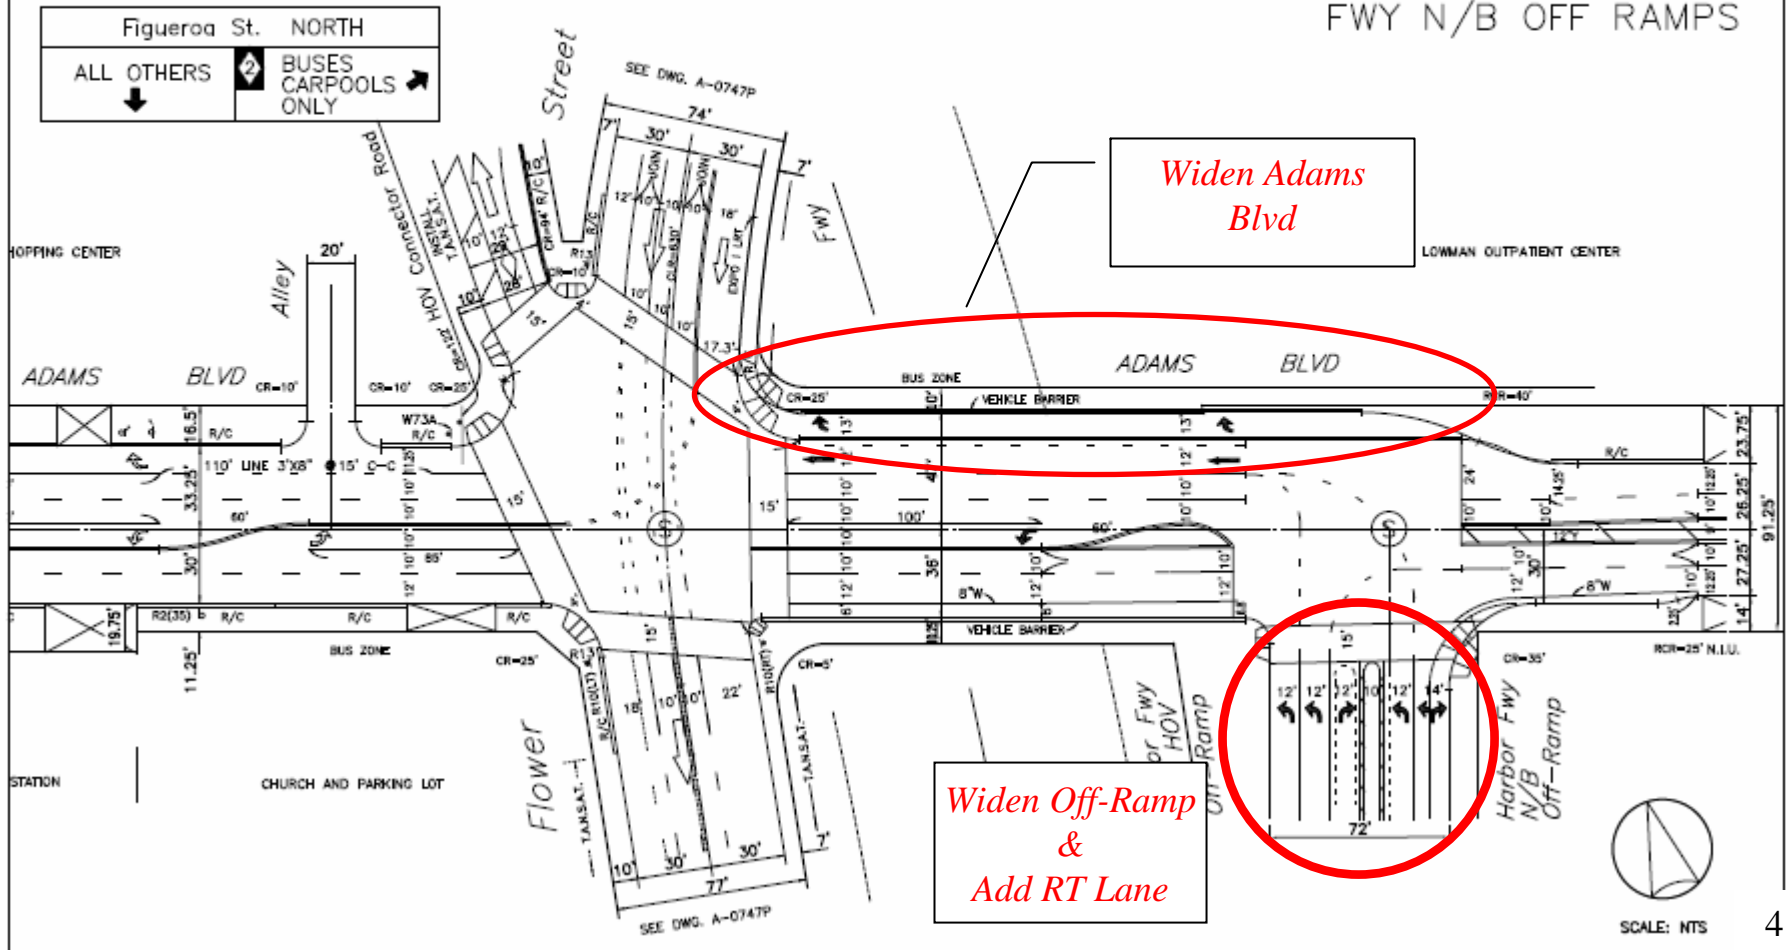

Adams Blvd Off-Ramp

Preliminary Concept Plan – Adams Blvd

DRAFT — PRELIMINARY CONCEPT PLAN

TO WIDEN ADAMS BLVD AT HARBOR
FWY N/B OFF RAMP

I-10 El Monte Busway Bottleneck Mitigation Strategy

- Majority of Westbound AM Peak Traffic Exits El Monte Busway at I-710
- Opportunity exists to add one additional HOT lane in each direction along a segment of I-10

Design exceptions would be required to avoid right-of-way acquisition
