

Construction Notice

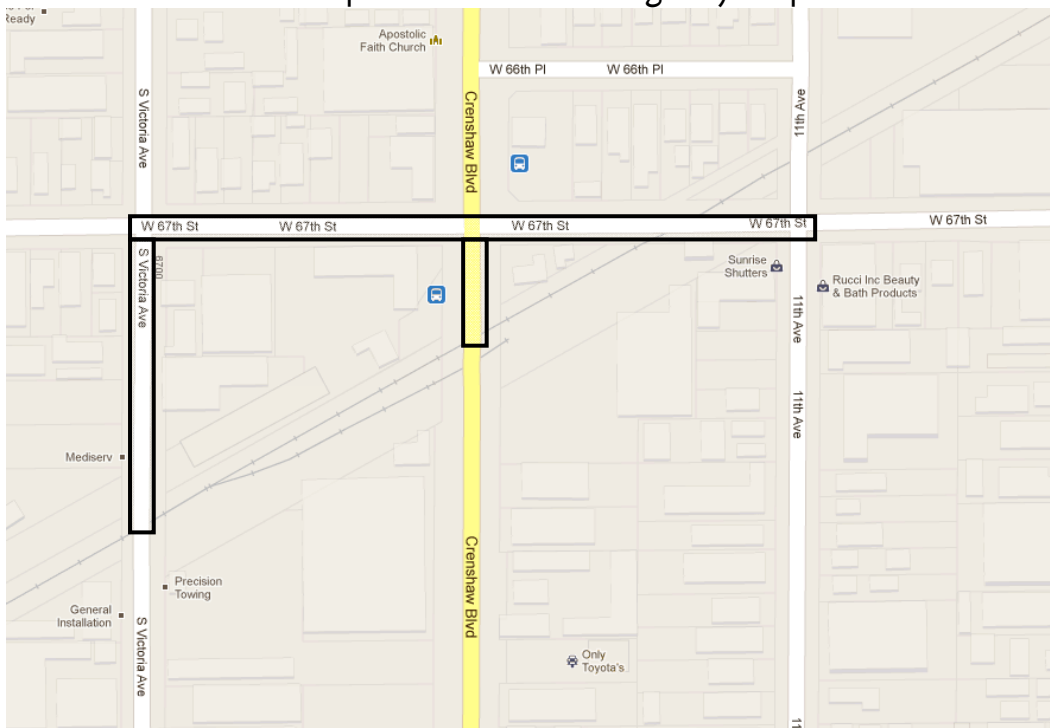

ATTENTION COMMUTERS AND RESIDENTS ON 67th ST, CRENSHAW BL AND CROSSING ON SOUTH VICTORIA AV

As part of advance utility relocation activities for the Crenshaw/LAX Transit Corridor Project, Metro's contractor, Metro Builders, will be relocating existing VCP (clay) sanitary sewer drain. This work will include installing new 18-inch VCP sewer and manholes, abandoning and capping in place the existing VCP sanitary sewer lines. This work is necessary in the City of Los Angeles to make room for the underground tunnel section of the Crenshaw Light Rail Line.

- WHAT:** Sanitary Sewer Relocation
- WHEN:** Beginning approximately Wednesday, May 8, 2013 for approximately 4 months. The anticipated work hours are from 7:00am to 3:30pm Monday - Friday, weather permitting.
- WHERE:** 67th St from 111th St to South Victoria Av, South Victoria Av from 67th St to the Burlington Northern Railroad Tracks, and on Crenshaw Bl from the Burlington Northern Railroad Tracks to 67th St.

WHAT TO EXPECT:

- Traffic will be maintained in the vicinity of the construction activities.
- Parking restrictions will be implemented in the immediate area of the construction.
- No parking will be allowed on 67th or Victoria on either side of the street during working hours. No parking signs will be posted in advance of the construction.
- Access for pedestrians will be maintained outside of the construction zone.
- Access for the Fire Department and emergency responders will be maintained.

To request further information through an assistive listening device, please call the California Relay Service at 711.

Thank you for your patience and cooperation.
