I-5 HOV Project (SR-118 to SR-170) – Median Barrier Demolition

WHAT

Starting on Monday night, January 20, through early February 2014, crews will begin demolishing the existing median barrier on I-5 between Van Nuys Boulevard and SR-118 to allow for the addition of a carpool lane on both sides of I-5. For the safety of motorists and the construction crew, this work must be conducted at night. **The two lanes closest to the median, on both sides of the freeway, will be closed during the operation.**

WHERE

Both directions of I-5 between Van Nuys Blvd. and SR-118

WHEN

Monday night, January 20, through early February 2014 (excluding Friday and Saturday nights), 8 p.m. to 6 a.m.

WHAT TO EXPECT

You may hear construction noise during the closure(s), but it will not exceed levels allowed by state and federal regulations. You may also notice vibrations and construction lighting. All impacts will be closely monitored during the operation.
