

MAP A

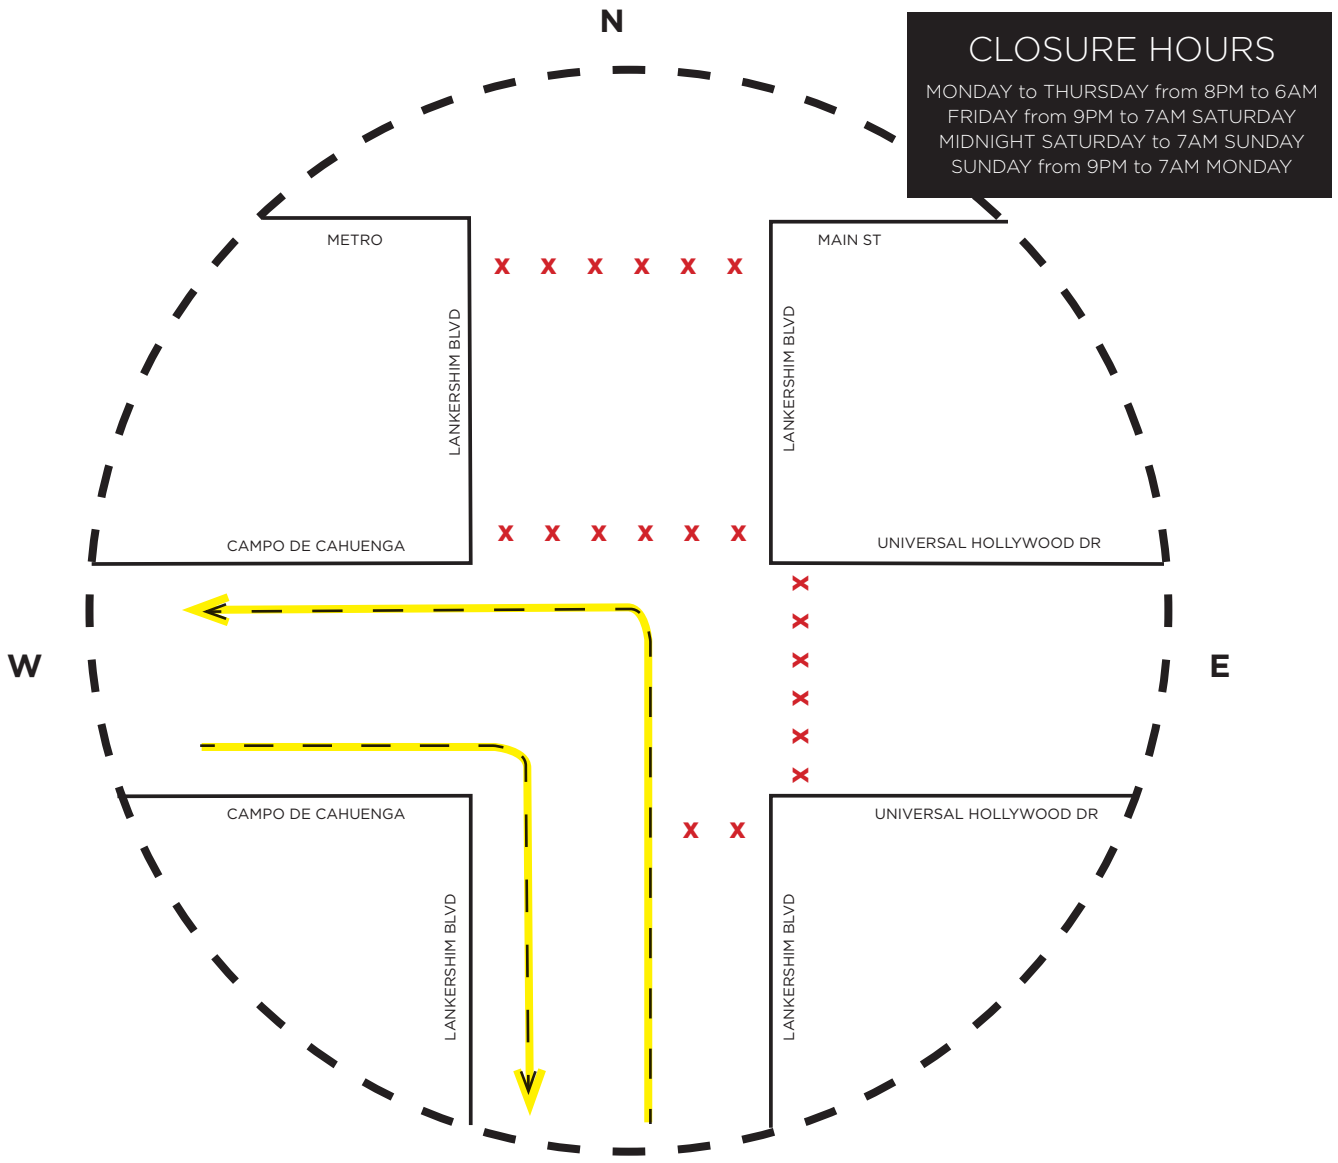

What: OFF RAMP and STREET CLOSURES WITH RE-ROUTES
When: November 30 through December 9, 2015
Times: Evening hours **ONLY AS NEEDED** / Subject to change
 Mon-Thurs. 8pm-6am Fri: 9pm-7am Sat: midnight-7am Sun: 9pm-7am

Map A shows street access to Universal Studios Theme Hollywood, Sheraton Universal & Hilton Universal during the upcoming night work. The **101 NB** off ramp to Lankershim will be **closed during NIGHT HOURS ONLY**.

Follow the yellow line or blue line on the map for street access to Universal Studios, CityWalk and Hotels. A segment of northbound Lankershim Blvd. will be **completely closed** at the intersection of Campo de Cahuenga and Universal Hollywood Drive (see Map B for details).

“Street closed ahead” warning signs will be in place. Local traffic only will be allowed. **“Detour”** signs will be clearly placed along the route. 101 Northbound and Southbound freeway signs will alert cars to upcoming off ramp closure and correct exit to reach Universal Studios Hollywood Theme Park and Hotels.

Traffic control will be performed by Griffith Company or a subcontractor in accordance with the WATCH manual & approved traffic handling plans.

MAP B

What: INTERSECTION CLOSURE
When: November 30 through December 9, 2015
Times: Evening hours **ONLY AS NEEDED** / Subject to change
 Mon-Thurs. 8pm-6am Fri: 9pm-7am Sat: midnight-7am Sun: 9pm-7am

Map B shows the intersection of Lankershim Blvd, Campo de Cauhenga and Universal Hollywood Drive. The **XXX** indicate closed lanes. Lankershim will be closed in **all directions** from the intersection of Campo de Cauhenga/Universal Hollywood Dr. NORTH to just before Main Street.

There will be **NO ACCESS** to **Universal Hollywood Drive** from Lankershim Blvd.

The NB off ramp to Lankershim Blvd will be completely

closed. Two northbound lanes of Lankershim Blvd will be closed leading into the intersection. **Only the left turn lane** will be open leading to **westbound** Campo de Cauhenga.

Eastbound Campo de Cauhenga will be open with only a **southbound** turn onto Lankershim allowed.

Traffic control will be performed by Griffith Company or a subcontractor in accordance with the WATCH manual & approved traffic handling plans.
