

Service Changes For December 2015

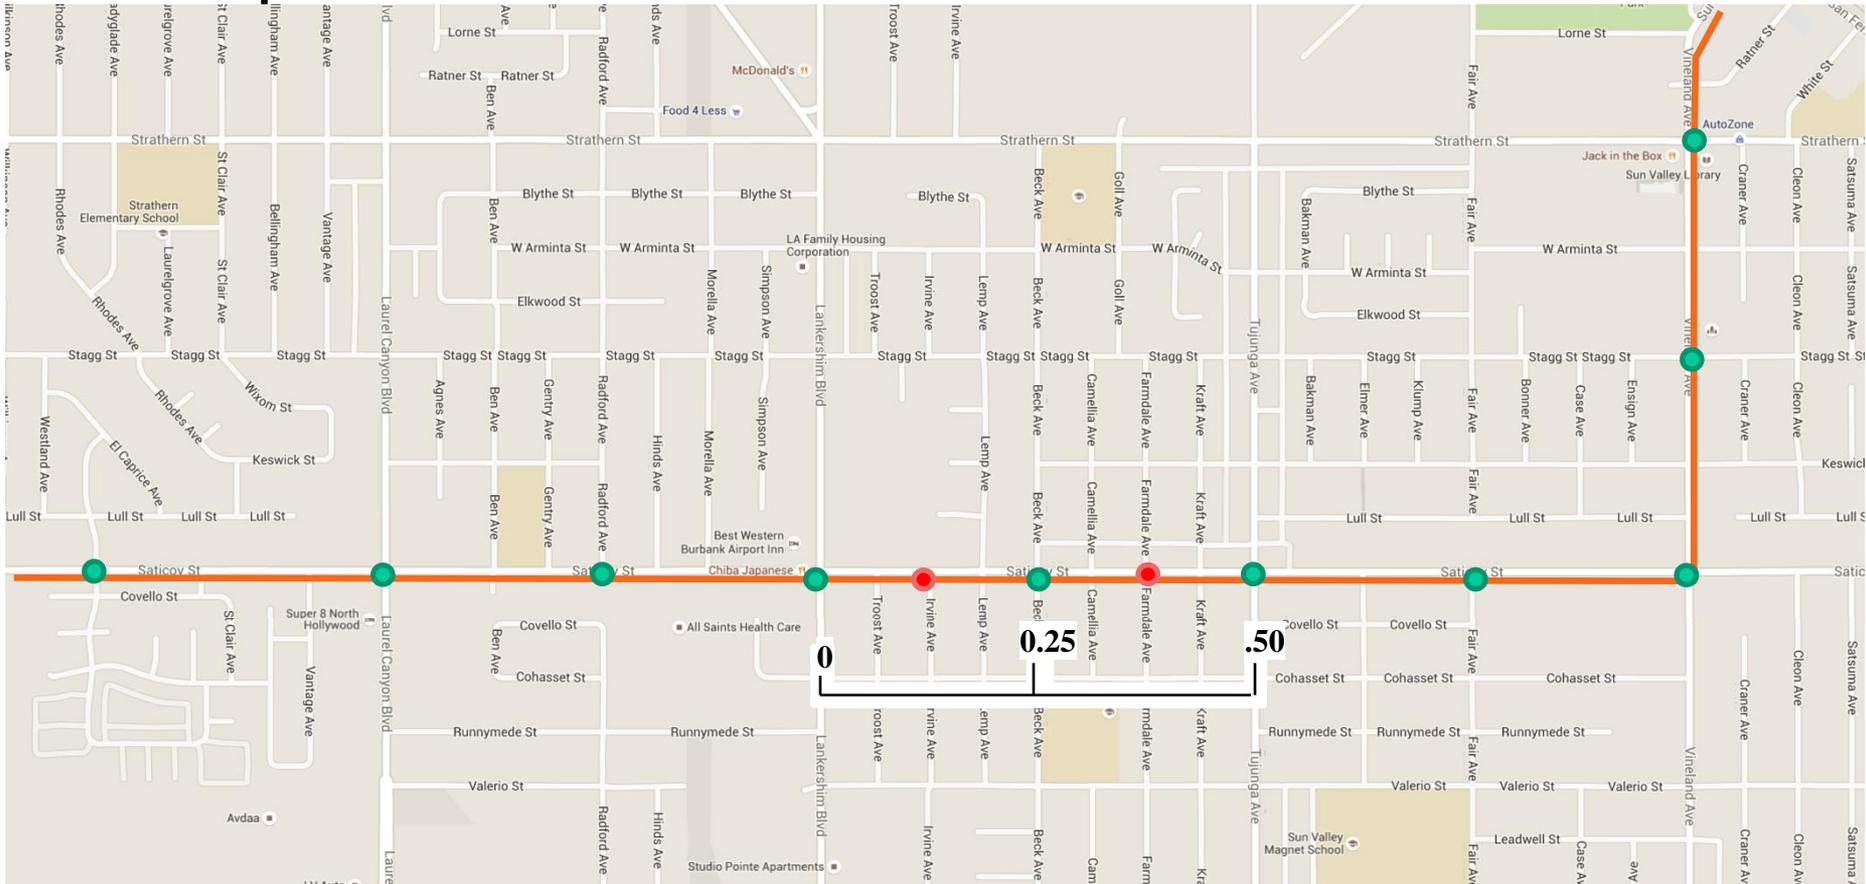

Bus Stop Optimization Plan

Bus Stop Consolidation

- Downtown bus stops on Olive St, Grand Av, and Hill St have been reorganized to facilitate a faster and smoother trip through Downtown LA.
- Bus Stop Optimization recommended by APTA peer review. Bus stop consolidation will be implemented on 2 to 3 lines per region.
- Service Change Notices have been distributed on buses listing stops that have been consolidated

Bus Stop Optimization Plan (Continued)

Santa Monica Bl Corridor

Silver Line and New Silver Line Express

- Line 910 Silver Line will now extend to serve San Pedro replacing Line 450.
- A new Express Service will be added to the Silver Line called the 950X Silver Line Express, operating weekday peaks only.
- Line 910 Silver Line in the weekday mid-day period and on weekends will be extended to San Pedro.
- All Line 910 Silver Line stops will be served by Line 950X Silver Line Express, with an additional new stop at 6th/Flower Sts.

Metro Express Line 501 (March 2016)

- The new Metro Line 501 No-Ho Pasadena Express will operate between North Hollywood Station and Del Mar Station.
- The line will operate as a 180-day pilot bus service.
- Implementation date will mirror Gold Line's Foothill Extension's initiation of service which is March 5th, 2016.
