File #:2015-1789, File Type:Contract

Agenda Number:

SYSTEM SAFETY, SECURITY AND OPERATIONS COMMITTEE FEBRUARY 18, 2016

SUBJECT: POWER SWEEPING SERVICES FOR ALL METRO FACILITIES

ACTION: APPROVE CONTRACT MODIFICATION

RECOMMENDATION

Authorize the Chief Executive Office to execute Modification No. 4 to Contract No. OP33672974 with Nationwide Environmental Services Inc., for power sweeping services throughout Metro bus and rail facilities, which exercises the first one-year option in the amount of \$1,424,850.

This contract amount consists of \$4,274,550 for a three-year base period, \$1,424,850 for the first option year and \$1,424,850 for the second option year, for a combined total of \$7,124,250.

ISSUE

Under this contract with Nationwide Environmental Services Inc., power sweeping services are provided on a regular basis in accordance with the maintenance schedule and frequencies specified within the contract scope of work. The three year base for this contract will expire on May 31, 2016. The contractor has been providing satisfactory maintenance services.

To continue providing the required power sweeping services, a contract modification is required to exercise option year one extending the period of performance through May 31, 2017.

DISCUSSION

Under this contract and option, power sweeping services are provided throughout Metro bus and rail facilities and State Owned Park and Ride (P&R) lots. This includes approximately 64 lots at bus divisions, terminals, locations, and stations, 33 lots at rail system stations and divisions, and 42 State Owned P&R lots.

The services provided under the existing contract and option are based on an aggressive routine maintenance schedule to ensure delivering clean and well maintained parking lots and structures throughout Metro facilities.

DETERMINATION OF SAFETY IMPACT

The approval of this item will provide on-going power sweeping services, improve Metro bus and rail facilities overall appearance and cleanliness, and provide prompt response time to ensure delivery of safe, quality, on-time, and reliable services system-wide.

FINANCIAL IMPACT

Funding of \$118,737.50 under this contract for the remainder of FY16 is included in the FY16 budget in cost center 3367 - Facilities Property Maintenance, account 50308, Service Contract Maintenance, under various projects.

Since this is a multi-year contract, the cost center manager, project managers, and Executive Director, Maintenance will ensure that the balance of funds are budgeted in future years.

Impact to Budget

The source of funds for this action will come from State and local funding sources and Proposition C 25% that are eligible for Bus and Rail Operating or Capital Projects. These funding sources will maximize the use of funds for these activities. No other sources of funds were considered for this activity because it supports Caltrans P&R lots, and bus and rail operations. This activity is part of the on-going maintenance costs of Metro facilities.

ALTERNATIVES CONSIDERED

Staff considered providing this service with in-house staff. This would require the hiring and training of additional personnel, purchase of additional equipment, vehicles, and supplies to support the expanded responsibility. Staff's assessment indicates this is not a cost-effective option for Metro.

NEXT STEPS

Upon approval by the Board, staff will execute Modification No. 4 to Contract OP33672974 to exercise option year one with Nationwide Environmental Services Inc., effective June 1, 2016, to provide power sweeping services system-wide.

A. Procurement Background

This Board Action is to approve Modification No. 4 to Contract No. OP33672974 issued in support of Facilities Maintenance to continue power sweeping services throughout Metro bus and rail facilities by exercising Option Year One for the amount of \$1,424,850.

This contract modification will be processed in accordance with Metro's Acquisition Policy and the contract type is firm fixed unit rate.

On March 21, 2013, the Board approved a five-year contract, inclusive of two, one-year options, to Nationwide Environmental Services, Inc., the lowest responsive, responsible bidder, to provide power sweeping services for all Metro facilities. The original contract amount consists of \$4,274,550 for the three year base period, \$1,424,850 for the first option year and \$1,424,850 for the second option year, for a combined total of \$7,124,250. The period of performance is from June 1, 2013 to May 21, 2018.

(Refer to Attachment B – Contract Modification/Change Order Log)

B. Cost/Price Analysis

The recommended price has been determined to be fair and reasonable based upon rates that were established as part of the current contract executed on June 1, 2013. The rates for this Option Year are the same as the rates the firm has charged Metro during the base three years, with no increase. The contract was a result of a competitive IFB in which the option year pricing was evaluated.
