# **Report of Independent Auditors**

To the Honorable Members of the City Council of the City of South El Monte, California and the Los Angeles County Metropolitan Transportation Authority

# **Report on the Financial Statements**

We have audited the accompanying financial statements of the Proposition A Local Return Fund, the Proposition C Local Return Fund, the Measure R Local Return Fund and the Transportation Development Act Article 3 Fund (collectively, the Funds) of the City of South El Monte, California (the City) which comprise the Funds' balance sheets as of June 30, 2018 and 2017, and the related statements of revenues, expenditures and changes in fund balances for the years then ended, and the accompanying financial statements of the City's Measure M Local Return Fund (the Fund) which comprise the Fund's balance sheet as of June 30, 2018, and the related statement of revenues, expenditures and changes in fund balance for the year then ended, and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinions.

# Basis for Qualified Opinions

As of the date of our audit report, the City is still in the process of preparing the bank reconciliations statements. We were unable to confirm or verify by alternative means cash and investments balances included in the balance sheets at a total amount of \$578,533, \$245,346, \$340,915 and \$212,033 which represent 100% of the Proposition A Local Return Fund, Proposition C Local Return Fund, Measure R Local Return Fund and Measure M Local Return Funds' fund balance at June 30, 2018. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

# **Qualified Opinions**

In our opinion, except for the possible effects on the 2018 financial statements of the matter described in the Basis for Qualified Opinions paragraph, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Proposition A Local Return Fund, the Proposition C Local Return Fund, the Measure R Local Return Fund and the Transportation Development Act Article 3 Fund as of June 30, 2018 and 2017, and the Measure M Local Return Fund as of June 30, 2018, of the City of South El Monte, California, and the respective changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# Emphasis of Matter

As discussed in Note 2, the financial statements present only the Proposition A Local Return Fund, the Proposition C Local Return Fund, the Measure R Local Return Fund, the Measure M Local Return Fund and the Transportation Development Act Article 3 Fund of the City of South El Monte, California, and do not purport to, and do not present fairly the financial position of the City as of June 30, 2018 and 2017, and the changes in its financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

# Supplementary Information

Our audits were conducted for the purpose of forming opinions on each of the Funds' financial statements as a whole. The supplementary information identified in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information identified in the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Funds' basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the Funds' basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Funds' basic financial statements or to the Funds' basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to each of the Funds' basic financial statements as a whole.

# Other Reporting Required by Government Auditing Standards

Varguer & Company LLP

In accordance with *Government Auditing Standards*, we have also issued our report dated December 27, 2018, on our consideration of the City's internal control over the Funds' financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over the Funds' financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over the Funds' financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over the Funds' financial reporting and compliance.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## **Fund Accounting**

The operations of the Proposition A Local Return Fund (PALRF), the Proposition C Local Return Fund (PCLRF), the Measure R Local Return Fund (MRLRF), the Measure M Local Return Fund (MMLRF) and the Transportation Development Act Article 3 Fund (TDAA3F) (collectively, the Funds) of the City of South El Monte (the City) are accounted for in separate sets of self-balancing accounts that comprise their assets, liabilities, fund balance, revenues and expenditures.

PALRF and PCLRF represent 25% and 20%, respectively, of the ½ cent Proposition A and ½ cent Proposition C sales taxes which are distributed to the jurisdictions within Los Angeles County based on population and must be used exclusively for transportation related programs and projects.

MRLRF is derived from 15% of the county-wide ½ cent Measure R sales tax which is distributed to the jurisdictions within Los Angeles County based on a per capita basis and must be used exclusively for transportation purposes.

MMLRF is derived from 17% of the county-wide ½ cent Measure M sales tax which is distributed to the jurisdictions within Los Angeles County based on a per capita basis and must be used exclusively for transportation purposes.

TDAA3F is a Special Revenue Fund that accounts for the City's share of the Transportation Development Act Article 3 allocations which are legally restricted for specific purposes.

# **Basis of Accounting and Measurement Focus**

The PALRF, PCLRF, MRLRF, MMLRF and TDAA3F are reported as Special Revenue Funds of the City and are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become "susceptible to accrual", that is, measurable and available to finance expenditures of the current period. Expenditures are recorded when the liability is incurred.

Special Revenue Funds are reported on a spending or "financial flow" measurement focus. This means that generally, only current assets, current liabilities and deferred inflows and outflows of resources are included on their balance sheets. Statements of revenues, expenditures and changes in fund balances for Special Revenue Funds generally present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

#### **Budgets and Budgetary Accounting**

The budgeted amounts presented in this report for comparison to the actual amounts are based on budgets approved by LACMTA and are presented in accordance with accounting principles generally accepted in the United States of America.

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Fair Value Measurement**

In accordance with GASB Statement No. 72, Fair Value Measurement and Application, the City categorizes its fair value measurement within the fair value hierarchy that is based on the valuation inputs used to measure the fair value of the investment. Level 1 inputs are quoted prices in active markets for identical investments; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. Accordingly, the City reports its investments at fair value and recognizes unrealized gain (loss) on investments.

Refer to the City's Comprehensive Annual Financial Report for detailed disclosures regarding the City's investments policy and fair value measurement disclosures.

# **Fund Balance Reporting**

Governmental Accounting Standards Board (GASB) Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions, establishes the fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds.

The PALRF, PCLRF, MRLRF, MMLRF and TDAA3F report the following fund balance classification as of June 30, 2018 and 2017:

Restricted - Amounts that are constrained for specific purposes, which are
externally imposed by providers, such as creditors, or amounts constrained
due to constitutional provisions or enabling legislation. The use of the
Funds' remaining fund balances are restricted for projects approved by
LACMTA.

Information regarding the fund balance reporting policy adopted by the City is described in the City's Comprehensive Annual Financial Report.

#### NOTE 2 ANNUAL FINANCIAL STATEMENTS

The financial statements reflect only the financial position and results of operations of the PALRF, PCLRF, MRLRF, MMLRF and TDAA3F, and do not purport to, and do not present fairly the City's financial position as of June 30, 2018 and 2017, and the changes in its financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# NOTE 3 PROPOSITION A AND PROPOSITION C LOCAL RETURN COMPLIANCE REQUIREMENTS

The Proposition A Ordinance requires that Local Return (LR) funds be used exclusively to benefit public transit. Expenditures related to fixed route and paratransit services, Transportation Demand Management, Transportation Systems Management and fare subsidy programs that exclusively benefit transit are all eligible uses of Proposition A LR funds. Proposition A LR funds may also be traded with other Jurisdictions in exchange for general or other funds.

The Proposition C Ordinance directs that LR funds also be used to benefit public transit, as described above, but provides an expanded list of eligible project expenditures including Congestion Management Programs, bikeways and bike lanes, street improvements supporting public transit service, and Pavement Management System projects. Proposition C LR funds cannot be traded.

Proposition A and Proposition C LR funds must be expended within three years of the last day of the fiscal year in which funds were originally allocated.

In accordance with *Proposition A and Proposition C Local Return Program Guidelines*, funds received pursuant to these guidelines may only be used for Proposition A and Proposition C Local Return approved programs. See accompanying Compliance Matrix.

#### NOTE 4 MEASURE R LOCAL RETURN COMPLIANCE REQUIREMENTS

The Measure R Ordinance specifies that LR funds be used exclusively for transportation purposes.

Measure R LR funds must be expended within five years of the first day of the fiscal year in which funds were originally allocated or received.

In accordance with *Measure R Local Return Program Guidelines*, funds received pursuant to these guidelines may only be used for Measure R Local Return approved programs. See accompanying Compliance Matrix.

## NOTE 5 MEASURE M LOCAL RETURN COMPLIANCE REQUIREMENTS

Measure M was approved by the voters of Los Angeles County on November 8, 2016 to improve transportation and ease traffic congestion consistent with the Los Angeles County Traffic Improvement Plan Ordinance approved by the Metro Board of Directors on June 23, 2016. The Measure M Ordinance specifies that LR funds be used exclusively for transportation purposes.

Measure M LR funds must be expended within five years of the first day of the fiscal year in which funds were originally allocated or received.

In accordance with *Measure M Local Return Program Guidelines*, funds received pursuant to these guidelines may only be used for Measure M Local Return approved programs. See accompanying Compliance Matrix.

#### NOTE 6 TRANSPORTATION DEVELOPMENT ACT COMPLIANCE REQUIREMENTS

In accordance with *Public Utilities Code Section 99234*, funds received pursuant to this Code's section may only be used for activities relating to pedestrians and bicycle facilities. See accompanying Compliance Matrix.

#### NOTE 7 CASH AND INVESTMENTS

The PALRF, PCLRF, MRLRF, MMLRF and TDAA3F cash balances were pooled with various other City funds for deposit and investment purposes. The share of each fund in the pooled cash account was separately maintained and interest income was apportioned to the participating funds based on the relationship of their average quarterly balances to the total of the pooled cash and investments.

Please refer to the City's Comprehensive Annual Financial Report (CAFR) for a full description of risks relating to cash and investments.

#### NOTE 8 PROFESSIONAL AND REIMBURSEMENT AGREEMENT – MRLRF

The Los Angeles County Metropolitan Transit Authority ("LACMTA") designed and constructed, in phases, a light rail project known as the Metro Gold Line. The LACMTA is currently evaluating potential alternatives for the second phase of the Metro Gold Line Eastside Extension. One of the alternative routes LACMTA is considering is "Alternative 1" aligned with State Highway 60.

In May 2009, the City entered into a professional services agreement with Mike Roos & Company ("Mike Roos"), under which Mike Roos will perform all services necessary to accomplish the City's goal of LACMTA's selection of Alternative 1. The term of the agreement was from May 13, 2009 to December 31, 2012. The agreement was amended on June 9, 2015 to extend the term to May 28, 2016. The agreement was further amended to extend the term to December 31, 2017. The City was contractually obligated to pay Mike Roos \$10,000 per month for fiscal year 2015-2016 and 2016-2017 on an as needed basis to compensate Mike Roos for all the services and normal and ordinary expenses incurred with such services.

Also, the City has entered into a reimbursement agreement with the Cities of Monterey Park, El Monte, Industry, Rosemead, and Montebello ("Cities") to support the selection of Alternative I. Each of the Cities shall reimburse the City one-fifth of the fees and costs incurred by the City pursuant to the professional services agreement dated May 5, 2009, as described in the previous paragraph.

Reimbursements recorded during the years ended June 30, 2018 and 2017 are as follows:

|                    |       | <br>2018 | _  | 2017   |
|--------------------|-------|----------|----|--------|
| City of El Monte   |       | \$<br>-  | \$ | 52,000 |
| City of Industry   |       | -        |    | 14,000 |
| City of Montebello |       | -        |    | 14,000 |
| City of Rosemead   |       | <br>=    | _, | 14,000 |
|                    | Total | \$<br>-  | \$ | 94,000 |

# NOTE 9 TRANSPORTATION DEVELOPMENT ACT ARTICLE 3 FUND REVENUE ALLOCATION

The revenue allocations for the years ended June 30, 2018 and 2017 consisted of the following:

|                       | <br>2018  | 2017      |
|-----------------------|-----------|-----------|
| FY 2013/14 allocation | \$<br>- ( | \$ 2,890  |
| FY 2014/15 allocation | -         | 13,418    |
| FY 2015/16 allocation | -         | 13,028    |
| FY 2017/17 allocation | <br>-     | 664       |
|                       | \$<br>- 3 | \$ 30,000 |

## NOTE 10 TRANSPORTATION DEVELOPMENT ACT ARTICLE 3 FUNDS RESERVED

In accordance with TDA Article 3 (SB821) Guidelines, funds which will not be spent during the fiscal year have been placed on reserve in the Local Transportation Fund (LTF) account with the County Auditor-Controller to be drawn down whenever the funds become eligible for a specific project and an approved drawdown request is received by LACMTA. As of June 30, 2018 and 2017, the City has funds on reserve as follows:

|                       | 2018         | 2017         |
|-----------------------|--------------|--------------|
| FY 2016/17 allocation | \$<br>13,158 | \$<br>13,158 |
| FY 2017/18 allocation | 13,567       | -            |
|                       | \$<br>26,725 | \$<br>13,158 |

For FY 2017/18, any TDA Article 3 funds left on reserve for FY 2013/14 or prior, are subject to lapse if not claimed by the City by June 30, 2018. There were no funds that lapsed in FY 2017/18.

## NOTE 11 SUBSEQUENT EVENTS

The City has evaluated subsequent events through December 27, 2018, the date the financial statements were available to be issued, and concluded no events have occurred that require disclosure or adjustments to the financial statements.

Report of Independent Auditors on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Honorable Members of the City Council of the City of South El Monte, California and the Los Angeles County Metropolitan Transportation Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Proposition A Local Return Fund, the Proposition C Local Return Fund, the Measure R Local Return Fund, the Measure M Local Return Fund and the Transportation Development Act Article 3 Fund (collectively, the Funds) of the City of South El Monte, California (the City) as of and for the year ended June 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated December 27, 2018.

#### **Internal Control over Financial Reporting**

In planning and performing our audits of the Funds' financial statements, we considered the City's internal control over the Funds' financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the Funds' financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Funds' financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did identify certain deficiencies in internal control over financial reporting described in the Schedule of Findings on Internal Control over Financial Reporting as Findings Nos. FS 2018-001 and FS 2018-002 that we consider to be material weaknesses.

# **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's Proposition A Local Return Fund, Proposition C Local Return Fund, Measure R Local Return Fund, Measure M Local Return Fund and Transportation Development Act Article 3 Fund financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### The City's Responses to the Findings

raguez 4 Company LLP

The City's responses to the findings identified in our audit are described in the accompanying Schedule of Findings on Internal Control over Financial Reporting. The City's responses were not subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on the responses.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Glendale, California December 27, 2018

## Finding No. FS 2018-001: Cash Management and Bank Reconciliation

#### Criteria

Section V of the Proposition A and Proposition C Local Return Guidelines, Section VII of the Measure R Local Return Guidelines and Section XXV of the Measure M Local Return Guidelines states that, "It is the jurisdictions' responsibility to maintain proper accounting records and documentation to facilitate the performance of the audit as prescribed in these Guidelines".

#### Condition

We noted during our audit that the City had not prepared its monthly bank reconciliation statements. The reconciliation of bank account balances with accounting records is a necessary element of an effective internal control system for cash. This process should be a routine procedure in the City's accounting process.

Internal control is key to ensuring that account balances are accurate so that financial positions of the City is accurate and the City's governing body can make informed decisions. The timely preparation of the monthly bank reconciliation statements enables management to detect and resolve any discrepancies and problems in the account balances within a reasonable period of time.

#### Cause and Effect

We learned that the City lost key employees in the finance and accounting department during the fiscal year 2018. As such, preparation of the monthly bank reconciliation statements was delayed as account balances are not properly adjusted. Delay in the preparation and review of the bank reconciliation statements can lead to the risk that discrepancies will not be detected or resolved in a timely manner, and also can lead to a higher risk of misappropriation.

#### Recommendation

Bank and cash reconciliations should be performed monthly to ensure accuracy and accountability for all cash transactions. The City should review its internal control procedures to determine what changes need to be made to ascertain bank accounts are always reconciled on a timely basis. Some changes to consider could be cross-training as well as developing relationships with consultants that could assist the accounting department when employee turnover occurs.

## Views of Responsible Officials

The City of South El Monte agrees the bank and cash reconciliation are not performed in a timely manner. The City has taken actions to address this finding by opening a separate bank account to receive LACMTA funding. In addition, the City is in the process of hiring additional employees to help elevate the workflow.

## Finding No. FS 2018-002: Year-end Closing Process

#### Criteria

Section V of the Proposition A and Proposition C Local Return Guidelines, Section VII of the Measure R Local Return Guidelines and Section XXV of the Measure M Local Return Guidelines states that, "It is the jurisdictions' responsibility to maintain proper accounting records and documentation to facilitate the performance of the audit as prescribed in these Guidelines".

#### Condition and Context

This year's closing process was delayed because some important procedures were not performed on time. These include reconciliation of major balance sheet accounts including bank accounts.

#### Cause and Effect

We learned that the City lost key employees in the finance and accounting department during the fiscal year 2018. As such, there was delay in the closing of the City's books for the fiscal year 2018. Currently, the accounting personnel and support do not have the institutional knowledge to ensure the books are updated and transactions are recorded correctly. These conditions resulted in delays in producing closing entries, trial balances, schedules, reconciliations, account analysis, and other financial reports needed by management and the auditors.

#### Recommendation

We recommend that the City establish and document proper closing and reconciliation procedures and assign responsibility for completing the procedures to specific City personnel. The closing procedures should be documented in a checklist that indicates who will perform each procedure and when completion of each procedure is due and is accomplished. The timing of specific procedures could be coordinated with the timing of management's or the auditor's need for the information. These reconciliations will provide assurance that financial statements are meaningful and accurate.

#### Views of Responsible Officials

The City of South El Monte agrees with this finding. The City is developing policies and procedures for the year end closing process and bank reconciliation process. In addition, the City is in the process of hiring additional employees to help elevate the workflow.

## **Report of Independent Auditors on Compliance**

To the Honorable Members of the City Council of the City of South El Monte, California and the Los Angeles County Metropolitan Transportation Authority

#### **Report on Compliance**

We have audited the compliance of the City of South El Monte, California (the City) with the Proposition A and Proposition C Local Return Guidelines, Measure R Local Return Guidelines, Measure M Local Return Guidelines, Transportation Development Act Article 3, and the Los Angeles County Metropolitan Transportation Authority's Funding and Allocation Guidelines for Transportation Development Act Article 3 Bicycle and Pedestrian Funds (collectively, the Guidelines) for the year ended June 30, 2018.

#### Management's Responsibility

Management is responsible for the City's compliance with the Guidelines.

## Auditors' Responsibility

Our responsibility is to express an opinion on the City's compliance with the Guidelines based on our audit. We conducted our audit of compliance in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the Guidelines. Those standards and the Guidelines require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on the Proposition A Local Return Program, Proposition C Local Return Program, Measure R Local Return Program, Measure M Local Return Program and Transportation Development Act Article 3 Program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with the Guidelines. However, our audit does not provide a legal determination of the City's compliance with the Guidelines.

# **Opinion**

In our opinion, the City of South El Monte, California complied, in all material respects, with the compliance requirements of the Guidelines for the year ended June 30, 2018.

# **Report on Internal Control over Compliance**

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements, such that there is a reasonable possibility that material noncompliance will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with the requirements that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guidelines. Accordingly, this report is not suitable for any other purpose.

Glendale, California December 27, 2018

There were no findings noted.

An exit conference was held on December 20, 2018 with the City of South El Monte representatives. Those in attendance were:

Vasquez and Company LLP representative:

Marialyn Salvador – Audit Senior Manager

City of South El Monte representatives:
Carlos Carazzco – Finance Director
Angela Chiaromonte – Accounting Manager

## Matters discussed:

Results of the audit disclosed no significant compliance issues. However, we identified certain deficiencies in internal control over financial reporting.

A copy of this report was forwarded to the following City of South El Monte representatives for comments prior to the issuance of the final report:

Carlos Carazzco – Finance Director Angela Chiaromonte – Accounting Manager
