ABBREVIATIONS : * illustrated ; c, correspondence.

Accident Claims, Record of a Western Road 18	Bergen County Traction Co., System of *335
Accident Insurance, See Insurance, Accident.	Birmingham, Aia,, Conductoriess Cars in c 529
Accidents: Accident Blanks and Minneapolis *346	Opening of East Lake Line 420
How Can We Prevent? 619	Bicycle Carrying Attachment for Electric
Marsellles Street Railway Co., Report of 124	Cars
Miiwaukee, ln 526	Blddeford & Saco R. R. Co., Annual Report 146 Black, Charles N
Accounts: Employes' Engagement Blanks in	
Milwaukee 525	Bollers: Effect of Retarders In Fire Tubes of 374
Minneapolis*346	Efficiency of
Repair, for a Large Road, 20	Horizontal Water Tube (Cahall) *784
Steam Rallroad Methods, Some Decisions in 111	North Chicago Rallway Co's *257
Store Room and Wages *754	Bolt, Improved Insulating*378
Adkins, James *666	Bond and Stock Quotations, see Stock and Bond Quotations.
Advertising, Street Car *641	Bond Issue by the Johnson Company
Air Brakes, See Brakes, Air.	Booker, S. G
Alx-la-Chapelie, Germany, Raliway System of. 150	Boosters, Installation of, in Chester, Pa 43
Akron, Bedford & Cleveland Railway, See Cleve-	Boston: North Shore Traction Co, Financial
land.	Characteristics of
Aibany: Albany Raliway, Annual Report of 146	Railway System of, as a Factor of Urban
Structural Steel Flywheel at *428	Growth
Allen, J. C *667	
Aiternating Current Electric Railway at	
Lugano	Progress of
Alton Raliway & Illuminating Co., Financial	West End Street Railway Co., Car House Construction*248
Report of 502	
Altoona, Pa., Pleasure Resorts in	Changes in Main Power Station *179 Charlestown Power Station *177
America, Great Street Rallway Properties In 602	
American Institute of Electrical Engineers,	Financial Characteristics of
Meeting of 386	
American Street Railway Association *600	ers
Meeting of Executive Committee of	Repair Shops of
St. Louis Convention: Among the Exhlbits. *717	Standard Long Car*254
Attendants at	Study of the Comparative Economy of
Exhibits at	Horse and Electric Traction 205
Plan of Hall at *384	Brackets: Improved Hinged*433
Proceedings of	Flexible, in Overhead Construction (Creag-
Programme of 550, *601	head)
Social Happenings at	Brakes: Novel Lever In Oakland, Cal c *528
American Street Railway Investments, Statis-	Power, vpon Electric Cars 184
tics of 449.502	Brakes, Air: Abroad (Standard)
Among the Manufacturers	Nantasket Beach Rallway, on *650
265, 388, 444, 498, 555, 668, 742, 791	National
Amusement Company, An	New (Christensen)*648
Anderson, Ind., Power Station Practice in c 359	New Compressor for (Standard)*66
Armature Coils: Ingenious Method of Making	Problem of Braking Street Rallway Cars
(Walker)	with*307 Record on New York Central & Hudson
Manufacture of, at Schenectady *549	River Railroad
Asbury Park, Atlantic Coast Electric Railroad,	Standard Motor Compressor
System of *505	Street Railway Service, In (Standard) *131
Astoria, N. Y., Coal Pocket at *135	Vacuum Pump for Elevated Railway Ser-
Repair Shops of Steinway Railway Co c *236	vice*546
Atlanta Consolldated Street Railway Co., An-	Works of Hunt Alr-Brake Co
nual Report of	Brakes: Electric
Atlanta Exposition, Johns' Exhibit at	Experiments in Chicago (Prouty-Noble) 254
Atlantic Coast Electric Railroad, System of *505 Atlantic Highlands, Red Bank & Long Branch	Lombard Oil
	New Electric at Ogden
	Brake Shoes: (Corning)*740
Aurora, Ill., Opening of the Aurora & Geneva	Connections and, New (Kinzer)
Railway	Brazier and Blow Torch
Australia, Rails Wallee III	Bridgeport Traction Co., Annual Report of 790
Band Saw (Egan)*316	Brighton, Eng., Seashore Electric Railway at, *302
Bultimore: City Passenger Ry. Co., Cost of	Brill Co., J. G., Exhibit of
Generating Power	Broken Joints: Resume of Discussion on 304
Grip Changes 466	v. Opposite Joints 50
