NOTICE OF AVAILABILITY AND PUBLIC HEARING

FARMDALE AVENUE GRADE CROSSING AND PASSENGER STATION

The California Public Utilities Commission is holding a Public Participation Hearing on the Exposition Construction Authority's grade crossing application for Farmdale Avenue near Dorsey High School, which includes the addition of a passenger station. At this hearing, the public may also comment on the Draft Environmental Assessment (EA) that has been prepared by the Federal Transit Administration and the Exposition Construction Authority to assess the potential environmental impacts resulting from the construction and operation of the passenger station at Farmdale Avenue.

The Draft EA has been prepared in compliance with the National Environmental Policy Act. The Draft EA is available for review during a 30-day public review period during which affected governmental agencies and interested members of the public can comment on the contents of the document. This 30-day public review period will commence on May 17, 2010 and will end on June 15, 2010.

The hearing is designed to provide the public an opportunity to be heard on issues related to the proposed grade crossing and the addition of the station for the Exposition Light Rail project, which is currently under construction and scheduled to open next year. At this hearing, you may submit written and oral comments on the Draft EA:
