Metro Bus Detours Due to Commercial Fire

Early this morning, Media Relations received a number of media calls regarding Metro Bus service detours due to a commercial fire near downtown Los Angeles. Four Metro Bus lines (10, 33, 55 & 92) were detoured around the area, primarily off of Main Street and onto Broadway Avenue between 8th Street and Olympic Boulevard. Media Relations also posted a service alert on our web page to inform our patrons of the detours.
