**Promoting Metro at Care Harbor Free Clinic**

From Thursday, September 11, 2014 to Sunday, September 14, 2014, Metro participated in the Care Harbor Los Angeles event at the Los Angeles Sports Arena. Care Harbor provides free medical, dental and vision care to the uninsured, underinsured and underserved in our communities. Dentists, doctors and nurses were on hand to provide services to 4,000 patients. A wide variety of Metro projects and programs were represented at the event with our staff and volunteers providing information about how to ride our system, our new fares, the benefits of TAP cards, projects under construction, safety, employment and business opportunities at Metro, opportunities with our contractors, and more. Also, the Crenshaw office of the State Employment Development Department joined the Metro table as a community partner and guest.
