**Metro Purple Line Extension Booth at Tarfest**

On Saturday Metro Purple Line Extension staff and volunteers manned a booth at Tarfest, a premiere arts and culture event in Los Angeles and the Miracle Mile District held at the La Brea Tar Pits. Metro was able to connect with hundreds of local residents to explain the details of future stations and the upcoming construction schedule for the project. In addition, locals along with tourists and visitors were interested to learn about Metro's expanding rail lines and future plans. Metro Purple Line Extension project staff look forward to working with the local community throughout the duration of the project.
