

## **MTA's Fifi Burns Elected Regional V-P of Accountants Group**

**Fifi Burns**

**(April 6)** Fifi Burns, a contract auditor in Management Audit Services, has been elected Regional Vice President for Southern California by the Association of Government Accountants (AGA). She will take office July 1.

Burns will sit on the AGA National Board of Directors as its second highest national officer. She will be the main link between the national office and the National Executive Committee and local chapters.

### **Implement new standard**

Burns' duties will include implementation of Government Accounting Standards Board 34, the most significant such standard issued since the 1930s. She also will be responsible for a conference in July whose speakers will include the U.S. Comptroller General and the mayor of the District of Columbia.

Burns' extensive work experience includes positions at the auditor and supervisory levels. She has held many positions with AGA, and has served as president of the Los Angeles chapter.

The AGA promotes the interests and professional image of government financial managers. There are more than 18,000 AGA members in 86 chapters in the United States, Japan, Saipan, Guam and Puerto Rico.
