Metro Café manager Bruce Ueno and staff arrived at 5 a.m. to keep the buffet tables flowing with hearty servings of quiche, sausages, apple pancakes, country-style potatoes, scrambled eggs, Christmas cookies, coffee and juice. Having guests for the holidays? Ueno's recipe for success includes 180 quiche pies, more than 100 pounds of decorated cookies, a whopping 1,600 apple pancakes and at least 520 pounds of pasteurized eggs.
