Division 15 Receives Honors for Improvements

By LISA HUYNH

(March 11, 2003) The East Valley Division 15 Maintenance team has a lot to be happy about.

Division 15 won the "How You Doin!" award for Most Improved Maintenance Division for the first quarter FY 2003.

General Manager David Armijo congratulated the team with a \$500 check.

The maintenance team significantly lowered its new Workers Compensation claims and improved on its on-time pullouts, miles between mechanical failures and attendance.
