## MTA Board Approves San Gabriel Valley Services Changes

## • <u>Table of Approved Changes</u>

## By DAVE SOTERO

(March 14, 2003) The MTA Board has approved a number of changes aimed at enhancing bus service in the San Gabriel Valley.

The changes, effective June 2003 or later, will integrate San Gabriel Valley bus lines with the Metro Gold Line, scheduled to open this summer.

The Board also directed the staff to analyze Bus Line 260 for 30 days to better determine the impact of adding "Limited Service" as an overlay to existing local bus services.

The staff will prepare an analysis of the impact of the changes on the entire Metro Bus system for presentation to the Board at its March meeting. The Board will then determine whether to keep services in place or make additional changes.

All Board-approved changes incorporate feedback from the local community given during public hearings in January. In many cases, proposed route changes were revised as a direct result of public comment.
