Savings Bond Enrollments Set at Three Locations

(Jan. 16, 2004) Uncle Sam needs you! And you may need him to help you save money.

Employee enrollments for United States Savings bonds are scheduled at three locations over the next two weeks.

Investing in Savings Bonds helps support the federal government, but it also gives bond holders a painless, safe and profitable way to put aside dollars for the future.

Savings Bond enrollments are scheduled at the following times:

- Tuesday, Jan. 20, in the train room at Venice Division 6,
- Wednesday, Jan. 21 and Thursday, Jan. 22 in the train room at Metro Blue Line Division 11,
- Friday, Jan. 23 and Monday, Jan. 26 in the training room at the Rail Operations Center.

On-site bond counselors will provide detailed information about the use of Savings Bonds and the optional Life and Critical Illness Insurance coverage. This optional insurance benefit can be used for any purpose, including purchasing Savings Bonds.
