Welcome Home, 'Spirit of America'

Carson Division 18 Operator Darryl Woods, complete with party streamer and noise maker, joined Carson residents and officials, Oct. 3, as they welcomed the Goodyear blimp "Spirit of America" back to the South Bay. "I missed seeing the blimp fly over my division," said Woods. Division 18 is just across the street from the blimp's airfield on Main Street . The air ship, which was damaged during a crash in December 2003, was repaired and refurbished at Goodyear headquarters in Ohio . Photo by Rich Morallo. (10/8/04)
