Metro Orange Line

COUNTDOWN

Metro Orange Line

Photos by Ned Racine
posted 7/5/2005
Construction of the Metro Orange Line transitway is underway in the San Fernando Valley. Photos were taken in June at various points of progression.

Scroll below to select images.

Transitway curves southeast from Bessemer/Tyrone intersection. Sound wall in the background. To the north, construction crews are finishing a drainage system.

Installing station fence at Reseda Station.

Fences are installed at each platform along the Metro Orange Line transitway.

June 1 - Work west of Sepulveda Station. Here is a look at the wall between the transitway and the
