EL MONTE RESIDENT NAMED MTA'S NOVEMBER OPERATOR OF THE MONTH

Mike Estrada, a grandfather of eight who has been an MTA bus operator for 32 years, has been selected as MTA's Bus Operator of the Month for November, 1994.

The El Monte resident has been absent from work only twice in the last eight years. He has an outstanding safety record, having earned the maximum number of 90 merits during the last two years. He has received numerous letters of commendation from his managers and the patrons he serves.

"Mr. Estrada has set a high standard over the years that we encourage our younger operators to emulate," said Arthur T. Leahy, MTA's Executive Officer -- Operations. "He is an asset to the Authority and to his community."

Estrada is the father of six children who have given him eight grandchildren. He enjoys outdoor activities in his spare time including boating, fishing, cycling and camping. He particularly enjoys playing basketball with his sons.
