MEDIA ADVISORY

MTA CONSTRUCTION OFFICIALS TO DISCUSS RESULTS OF SAFETY WALK-THROUGH OF METRO RAIL CONSTRUCTION PROJECTS

WHAT: MTA's director of construction safety will comment on a safety walk-through of all Metro Rail construction projects he conducted yesterday. This took place in the wake of the accidental death of a construction worker, the first in 10 years of construction.

WHEN: *Today, Tuesday, February 18, 1996, 2 p.m.*

WHERE: MTA Headquarters
3rd Floor
One Gateway Plaza
Los Angeles, CA 90012
The headquarters building is behind Union Station, at the intersection of Cesar Chavez Avenue and Vignes Avenue.

WHO: Charles Stark, Interim Executive Officer for Rail Construction
Dan Jackson, director of construction safety

CONTACT: Steve Chesser, MTA Media Relations (213) 922-2718
