TRAFFIC ADVISORY

Vermont Avenue between Melrose Avenue and Santa Monica Boulevard **will not** be closed this weekend, Sept. 23 through 25, as previously announced. Instead, we are projecting the next closure to be the weekend of Sept. 30, from Friday at 8 p.m. to Monday at 5 a.m.

The closure will allow the installation of street decking and represents the next phase of construction of the Vermont/Santa Monica Station of the Metro Red Line.

During the next closure, northbound traffic on Vermont Avenue will be detoured east on Melrose Avenue, north on Virgil Avenue, west on Santa Monica Boulevard and north on Vermont Avenue. Southbound traffic will detour on the same streets.
