

Crenshaw Connection Shuttle Guidelines

All Riders can board shuttle using the following methods. These methods are designed to provide the highest level of passenger and public safety when boarding.

- 1 Boarding Crenshaw Connection at posted stops along the route (please refer to enclosed map) displaying a Crenshaw Connection stop.
- 2 "Flag Stops" Drivers will stop to pickup or discharge at all corners where it is safe.
- 3 By phoning the ride scheduling center and arranging to be picked up from a desired location.
- 4 Notifying the driver that you wish to exit at a specific location within the shuttle boundaries.
