FOR IMMEDIATE RELEASE

Westside/Central to Hold Workshop on "Metro Connections" South Bay Sector to meet in South Los Angeles

- June Regular Monthly Meetings Set for Metro Community-Based Transit Service Sector Governance Councils

Metro's community-based transit service sector governance councils will hold their regular monthly public meetings in June to discuss various transportation issues in their service sectors.

The Westside/Central governance council will also hold a special Metro Connections workshop as a part of their regular monthly meeting. The transit workshop is being held for public review and input concerning the new Metro Connections service concept currently under development that when implemented will be a new way to deliver bus transit services in the region.

In addition, please note that the Metro South Bay governance council meeting in June will take place at Metro's Arthur Winston Division located at 5425 Van Ness Ave. in South Los Angeles instead of their regular meeting place in Carson.

Residents within the San Fernando and San Gabriel Valleys, Gateway Cities of southeast Los Angeles, the South Bay and the Westside/Central area interested in helping to improve Metro Bus service in their communities are encouraged to attend the monthly meetings.

Governance councils work closely with Metro's community-based service sectors in studying and planning service improvements and efficiencies of Metro Bus operations in their respective service sectors.

The following is a list of Metro governance council June meetings, noting a special "Metro Connections" workshop for the Westside/Central Sector and location change for the Metro South Bay Sector meeting.

Sector Meetings/June 2006
